It was learned that [ ] and [ ] met this evening between 8:30 and 10:30 pm at the Hinsdale Oasis on the Tri State Tollway. [ ] called the meeting to discuss NSRP plans for the coming weeks. It was decided [ ] would contact the Pick Congress to secure a room for the Saturday, April 12, 1969 address of NSRP leader Dr. Edward fields. [ ] said he would secure a room for a Sunday afternoon, April 13, 1969 speech by fields in Peoria, Illinois. [ ] says a Holiday Inn would be his choice. [ ] intends to call fields by mid week to fill him in on the details for the march Thunderbolt. money is the primary problem at this time. Rental of the Pick Congress meeting room will be \$50 to \$60 and the Peoria Holiday Inn room should be \$25 to \$40. Postage costs for the next Prairie Fire will be \$48. That totals about \$125 to \$150 needed before late march. The NSRP at this moment has about \$20 in funds from donations and book orders from the latest Prairie Fire. Little additional mail is expected from this latest

Prairie Fire issue. It was decided Wake would handle the funds for the Holiday Inn room if need be from his own funds. [redacted] were to do likewise for the Pick Congress room. Postage funds, not needed for four to five weeks, will be obtained later. It was decided [redacted] would write an article on a proposed NSRP radio program for the next Thunderbolt. [redacted] would do likewise with a story directed at businessmen and designed to raise funds. Each story is to be in [redacted] hands within the week. [redacted] stated that he called Dr. Fields and he will accept all radio and TV shots that can be lined up. He also said he hopes to arrive in Chicago late Thursday, April 10, 1969. This would indicate he may be in Chicago as long as four days. [redacted] instructed [redacted] to line up the radio and TV shots. [redacted] stated that the next "right wing raid" would be Wednesday at Wright Junior College. upon questioning [redacted] admitted that [redacted] and his United Patriots International were not behind this plan as was the

case in the U. of C action on Saturday, February 8, 1969. [ ] further explained that Rev Jesse Jackson was set to debate S. T. Sutton on this coming Wednesday evening, February 26, 1969 at 8 pm. [ ] states that if Sutton is booed or treated poorly in any way the meeting will be broken up. [ ] admits Sutton has no knowledge of their plans. [ ] states [ ] and his large following of men and woman will be on hand. In all [ ] hopes to have 50 to 100 people scattered in the crowd. They are to remain silent as long as Sutton is treated properly. What this means is not clear. There is some indication that a brawl will ensue at the close of the affair regardless of what happens during the evening.

[ ] is toying with the idea of leaving NSRP literature behind so the NSRP will obtain press coverage and responsibility for the outbreak. [ ] will outline later plans early in the week.

It was learned that a number of NSRP members and other right wingers attended the Wright forum on Wednesday evening February 26, 1969 at 8 pm in the auditorium of Wright Junior College at 3030 North Austin Avenue in Chicago, Illinois. The forum featured a debate between S. T. Sutton of operation crescent and candidate for governor and Rev. [redacted] [redacted] of operation Breadbasket. [redacted] of NSRP and other right wingers in the Chicago area had indicated for almost a week that they would be present in force to disrupt or break up the gathering by force. It was later learned that college officials had ordered all office machines and equipment stored away fearing a right wing raid would result in forcing entry to offices and destroying of equipment. A half dozen police officers were on hand dressed in casual sport street clothes. No uniformed police were in sight. [redacted] was on hand with about ten men and woman often seen in anti bussing demonstrations. They were allowed into the auditorium complete with picket signs. They did not picket at all outside.

It had been hoped that Telow could draw two or three times as many people. (20 to 30) [redacted] [redacted] of United Patriots International was on hand with about ten of his followers. He was expected to produce, once again, 20 to 30 people. A few other right wingers arrived but at most their number was 30. Among those known to this observer were [redacted]

No violence developed but once again [redacted] and his people showed effectiveness when on numerous occasions they jumped to their feet to challenge Rev [redacted] or anyone to fight. A number of blacks hooted during the evening and the situation grew tense with much name calling but that was the limit. The entire gamut was covered during the evening with subject or concentration camps being set up in the USA to detain blacks, planned genocide against blacks and Jew involvement in subversive activities all discussed during the question and answer session. At 10 pm the forum ended. On his way to his car [redacted] was invited by [redacted] to

The containers are only 3½ inches high and 1½ inches in diameter. [ ] purchased one for \$2.00/ Murley was also present at University of City altercation on February 8, 1969. It appears she always does this at demonstrations and public meetings where they appear and expect trouble. [redacted] said his only concern was the fact the weapon was not registered. During the evening [redacted] also stated he was a member of the CPUSA in Brooklyn, New York at one time. He stated he was a card carrying member and worked hard but got tired of "seeing Jews get all the credit". It seems he and his wife visited France within the last year. [redacted] stated and [redacted] confirms that Wake has printed 20,000 "Communism is Jewish" stickers within the past few weeks. Also present was a young man who identified himself as [redacted] is phonetic and he did not spell his name. His address was stated and it may be [redacted] [redacted] in Chicago, Illinois. It was learned that [ ] telephonically contacted Dr. EDWARD R. FIELDS this morning at 11:30 a.m. Chicago time. Dr. FIELDS was in his Savannah Georgia offices. [ ] was calling to inform FIELDS that Producer [ ] of "Kup's Show" has promised he will use FIELDS for the Saturday, April 12, 1969, TV program. [ ] told FIELDS the show is seen in numerous other markets including New York City. Reference Chicago memorandum dated November 27, 1968, captioned as above.

A Chicago source, who has furnished reliable information in the past, advised on February 9, 1969, that [redacted] Chicago Director, United Patriots International (UPI), met with 17 to 20 of his followers at 8:00 p.m. February 8, 1969, at his residence [redacted] [redacted] Chicago, Illinois.

b6

[redacted] told his followers of his desire to cause a melee at the University of Chicago Administration Building.

It is to be noted that this was during the period of time that a group of dissident students at the University of Chicago seized the Administration Building on the campus and held it in the form of a sit-in from January 27, 1969, through February 14, 1969.

The first Chicago source stated that at approximately 9:30 p.m., February 8, 1969, [ ] and his group attempted to enter the University of Chicago Administration Building for the purpose of creating a disturbance and routing protesting students. Source stated that only five to seven persons of [ ] group actually entered the building. When the University of Chicago (U of C) Security Officers broke up the disturbance which lasted less than one minute, [ ] group returned to his residence. Source stated that the UPI group distributed leaflets signed by "The Minutemen" during their raid on the campus. b6 b7C

A characterization of the Minutemen organization is attached to this memorandum.

The UPI is self-described by its Chicago head, [ ] as a militant anti-Communist organization. [ ] has stated in 1968, his organization has operated for about two years as a loosely organized educational group, claiming it was formally organized in the summer of 1968, with Chapters in California, New York, Illinois, Mississippi and Louisiana. The UPI has conducted counter demonstrations to anti-Viet Nam demonstrations and has participated in disturbances at Chicago, Illinois, in the past.

A second Chicago source who has furnished reliable information in the past on February 9, 1969, furnished the names of three individuals involved in the melee between U of C sit-ins and the group who entered the U of C Administration Building the evening of February 8, 1969 as:

[ ]  
Chicago, Student, Chicago State Teachers College,

Student, U of I, Chicago Circle Campus, Chicago

b6  
b7C

UNITED PATRIOTS INTERNATIONAL

[redacted] Cicero,  
Illinois, Student, U of I, Chicago Circle  
Campus, Chicago

This source advised literature bearing the name of the Minutemen organization had been left by the group who invaded the campus building.

On April 15, 1969, a third Chicago source, who has furnished reliable information in the past, advised that the above three persons were detained by campus Security Police following the disturbance on February 8, 1969. The third source stated that they were questioned and released without formal charge. When interviewed, these individuals staunchly denied being affiliated with any specific group. Source stated that two of the above, when interviewed, claimed to have been innocent bystanders and the third, [redacted] refused to make any statement.

On February 9, 1969, fourth and fifth Chicago sources, who have furnished reliable information in the past, and who are familiar with some Minutemen activity in the Chicago area, advised that [redacted] were unknown to them as Minutemen members. These latter sources stated they have heard of the United Patriots as a group against Communism and "Hippie Types". These sources state they knew of no present ties between the Minutemen organization and the UPI, other than they are both anti-Communist, Right Wing groups.

The fifth source above, has advised during March, 1969, that he had learned that one of the individuals that took part in the February 8, 1969 raid was [redacted] Chicago. Source states that [redacted] a sometimes member of the National Socialist White Peoples Party (NSWPP) remarked that numerous Right Wingers had been invited to participate. He stated that it was decided to give credit to the Minutemen because, "whoever heard of the United Patriots?"

A characterization of the NSWPP National and Local is attached to this memorandum.

## UNITED PATRIOTS INTERNATIONAL

It is to be noted that the March, 1969, issue of "The Thunderbolt" official newspaper of the National States Rights Party (NSRP), also takes official credit for the February 8, 1969 raid. This article states as follows:

### " The Chicago Attack

On February 8 in Chicago, Illinois a group of 20 young men decided that the sit-in that had paralyzed the University of Chicago for the past 10 days had been allowed to proceed long enough. They entered the building at about 9 p.m. and left 6 men guarding the door. Without using any weapons they waded into dozens of long haired hippie creeps and began to slug it out with them - most are queer odd ball types and they fled in terror. We have often found that hippies are quite loud on the obscenities and obnoxious mannerisms but cringing cowards when confronted by real men.

In no time at all the front part of the U of C Administration Building was cleared out by the small band of right-wing youths - all in their early twenties. When victory looked as if it were in sight and the screaming pansies were fleeing for the exits, the university security men came in and tried to arrest the young patriots. They grabbed John Schuman, age 26, Thomas Conway, 20, and Terry Waligora, 21. The rest got away. Later even these three were released when the police could not find any of the hippies to make any charges against them. (No doubt they all ran home and were hiding under the bed by that time.)

Of course, there can be little doubt that most of this trouble has its origins in the lack of discipline in the home. Many parents are practically strangers to their own children. Without parental guidance they drift into the camp of the shiftless and

UNITED PATRIOTS INTERNATIONAL

malcontent anarchists. If school officials and police are unable and afraid to deal with this campus strife, they should step aside and let the men of the NSRP and Patriotic students go in and clean up this campus mess. If these beatniks cannot obtain discipline training at home, then we are willing to give them a good chastisement that will at least give them something to think about before they upset serious students again.

We can now reveal that NSRP members aided the attack upon the sit-in hippie creeps at the U of C. We will be only too happy to join in any attempt to help clean this scum off of any campus where we have active members."

A characterization of the National States Rights Party, National and Local is attached to this memorandum.

On April 14, 1969, the first Chicago source advised that he recently gained the confidence of [redacted] [redacted] sometimes called [redacted]

[redacted] has indicated that his group of UPI is an independent Right Wing group, but they welcome the association of other groups such as the NSRP, the NSWPP and the Minutemen. [redacted] also indicated he wanted to use either Minutemen or NSWPP literature at the time of the raid on the campus so as to give credit to these nationally known Right Wing groups. Also, any "heat" by the authorities would be directed away from the UPI.

On March 30, 1969, a sixth Chicago source, whose reliability is unknown, advised that on March 29, 1969, a man identifying himself as [redacted] approached an individual in the Muskegan, Michigan, area.

[redacted] had a box of what he described as Minutemen literature and displayed a "Handbook of Guerrilla Warfare", published by the Minutemen at Box 62, Norborne,

b6  
b7C

UNITED PATRIOTS INTERNATIONAL

Missouri, as well as other books on military tactics. [ ] wanted to exchange his material for material on the Students for a Democratic Society (SDS).

During the course of the conversation, [ ] claimed to have organized the U of C "bust up" of the radical students sit-in by the Minutemen on February 8, 1969. [ ] stated he had an "organization" behind him and that he had people supporting him. He said he would never do anything violent himself, but he always had "pawns" that he could use in acts of violence.

A characterization of the SDS is attached to this memorandum.

The first source, above, advised that [ ] from Michigan is a friend of [ ] and [ ] former leader of the Chicago unit of the NSRP. Source stated that [ ] was reportedly in Chicago during February 8, 1969, and may have participated in this attack.

The following leaflets and pamphlet "Battle Cry", which have been distributed in the Chicago area, are included as a part of this memorandum as they reportedly set forth the aims and purpose of the group known as United Patriots International:

# S.D.S. SAYS: AMERICANS MUST HATE GIs

Again, the mystery which once shrouded the fascist and gestapo-like Students for a Democratic Society (SDS) is beginning to unfold. During the Democratic convention, SDS and various of its comrades, including the Communist Party, U.S.A., the Chicago Peace Council, and the Women for Peace, used their storm-troopers to tear down and urinate upon the American flag and force the filthy communist flag above our streets. Through these tactics they were able to involve young Americans, many of whom were unaware of the communist orientation of SDS, in a confrontation with the police. SDS and its comrades have succeeded in producing conflict between liberal Americans and the police. Now they are prepared to take the next step in radicalizing their dupes.

On Oct. 29, 1968, the national secretary of SDS, Bernadine Dohrn, issued an ultimatum that Americans must "look at GIs not as people, but as symbols of what they are. You've got to learn to hate them." Does that sound like the benevolent democratic student organization (the image given by the Stalinized national press) called SDS that we hear so much about? Well, Americans, now you know part of the real objective of SDS. Do you think that belongs on our nation's high school and college campuses?

Do you know that a leader of SDS, Jacob Marovitz, is editor-in-chief of the "student" newspaper at the University of Illinois Chicago Circle campus? The taxpayers of Illinois are therefore being forced to subsidize such a Marxist as Marovitz. (Read the editorials on Nov. 4, 1968, Chicago Illini.) Are you going to let this continue?

## UNITED PATRIOTS INTERNATIONAL SUPPORTS OUR LOCAL POLICE

SUPPORT your local POLICE. They need it. The communists know, as the American people do not, that the city and community police forces now constitute one of the most important remaining obstacles to the gradual insidious, and at first invisible, establishment of their communist state.

### COMMUNIST PLOT

The Senate Internal Security Subcommittee's booklet, "A Communist Plot Against the Free World Police", said, "Our police are among the foremost guardians of freedom and thus a major target of the communists." In testimony about communist efforts to destroy the police in other countries, the booklet said, "A smear campaign attempted to discredit the leaders among the rank and file...the communist press specializes in playing up and discrediting all police actions against rioters and mobs." THE PEOPLE OF CHICAGO AND THE WHOLE COUNTRY HAVE JUST EXPERIENCED SUCH A SMEAR CAMPAIGN AGAINST OUR DEEPLY DEVOTED AND BRAVE CHICAGO POLICE. THEY REMAIN THE PEOPLES' BULWARK AGAINST THE COMMUNIST AGITATORS (YIPPIES, HIPPIES, AND FLOWER CHILDREN) AND ALSO THE COMMUNIST-ORIENTED NATIONAL PRESS.

### KEEP LOCAL POLICE INDEPENDENT

Totalitarian government cannot be imposed on a nation as long as the local police remain independent of the central government. Our completely independent local police forces are the last bastion of our defense against communist vandalism, brutality, and murders. In the United States the federal government seeks to control our local police through federal funds and "guidelines" from the Office of Law Enforcement Assistance, an agency of the U.S. Department of Justice. Do not let these federally subsidized training programs get started in your community. IF YOUR LOCAL POLICE NEED BETTER TRAINING OR HIGHER SALARIES, THEN PROVIDE FOR THEM LOCALLY. THEIR SALARIES ARE A VERY SMALL PRICE TO PAY TO STOP COMMUNISM.

Don't let civilian review boards get started in your community. They become staffed with communist sympathizers who destroy the authority of the local police. J. Edgar Hoover wrote, "(the civilian review boards) amounts to the usurpation of authority rightfully belonging to the police commander."

### IF YOU SHARE THE VIEWS OF THE UNITED PATRIOTS INTERNATIONAL:

1. Cooperate fully with all law-enforcement agencies at all times.
2. Oppose the establishment of police review boards.
3. Distribute, as widely as possible, this pamphlet and the "SUPPORT YOUR LOCAL POLICE" bumper stickers.
4. Join with us to fight communist aggression in the world.

We invite all true patriots to join.

SUPPORT YOUR LOCAL POLICE AGAINST COMMUNIST BRUTALITY!!!

UNITED PATRIOTS INTERNATIONAL  
2451 S. Christiana  
Chicago Ill. 60623

Dear Fighting Patriot,

We believe you will find this issue of Battle Cry even more interesting and informative than the last one. Show it around to your friends and neighbors to be sure that they are aware of the growing menace to our country.

The article on the Women for Peace was taken directly from the Women for Peace magazine and analyzed for its propaganda techniques by our office staff. We hope that you will continue to send us leaflets and magazines put out by the commUNists and their various front groups both for our files and for analysis in Battle Cry.

In the next issue we will begin a "Letters to the Editor" column since we have received enough interesting letters to begin a regular column of this nature. Please indicate on your letter whether you want your full name on it, your initials, or if you would prefer your name to be omitted if your letter is used for publication. All letters sent in must have the sender's name and return address.

We will have another general meeting for people who are interested in becoming members within the next month. Please let us know if you are interested in being invited to this meeting.

With your continuing contributions, Battle Cry will continue to get "bigger and better." We plan to be able to go to a newspaper format in six months. Order more copies to distribute to your friends, neighbors, and co-workers. Use the handy enclosed coupon for your order.

Remember the words of Daniel Webster: "God grants liberty only to those who love it, who are always ready to guard and defend it."

Yours for freedom,

Vol. I No. 4

January 1, 1969

"I dream of the hour when the last Congressman is strangled to death on the guts of the last preacher, and, since the Christians love to sing about the blood, why not give them a little of it?" Gus Hallberg, General Secretary of the CommUNist Party, U.S.A.

PATRICK HENRY, AMERICAN PATRIOT:  
"Gentlemen may cry, Peace, Peace, but there is no peace. The war is actually begun! Is life so dear, or peace so sweet, as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take; but as for me, GIVE ME LIBERTY OR GIVE ME DEATH!!"

# The Student 'Intellectual' and Communism

Hans-Josef Hauptmann

You may ask yourself why the student intellectual, most likely a pseudo-intellectual, will turn himself into a treasonous, filthy Bolshevik revolutionary (generally speaking, a hippie or yippie), who calls the police and anyone opposing his commUNist ideas a Fascist Pig. The truth being that the revolutionaries themselves resemble the pig more in manners, habits and personal cleanliness.

The following may help you understand why the student intellectual may fall for the commUNist line, of bull. It was taken from the testimony of Dr. Frederick C. Schwarz, Executive Director of the Christian Anti-Communist Crusade, before the United States House of Representatives, Committee on Un-American Activities. (Wed., May 29, 1957)

Question: "How do you account for the fact that this ideology of communism (actually Bolshevism), which is contrary to all that you and I as Christians believe, evil as it is, unappealing as it is to those with any sense in them of goodness, is sweeping across the world with a speed that is hitherto unknown in the history of the world, that it now encompasses about one-third of the population of the world from a start about 50 years ago? How do you account for that?"

Dr. Schwarz: "First, the reason is their recruitment of the student intellectual, who is susceptible to the appeals of communism by reason of his educational conditioning. He accepts that materialist foundation on which communist ideology and morality is built. He is recruited in terms of his ideological pride. He is more intelligent than the average man, and he sees the opportunity to mold man and create history, whereas the dull, brutal driven

BATTLE CRY 1-17-69 p.1

herd sweeps on unaware of the forces that create it and drive it forward. He is one of the elite, the Chosen, and the intellectual aristocracy. In combination with this intellectual pride, the religious nature of man demands a purpose in life; they find in this vision of human regeneration a religious refuge for their Godless (or anti-Christian) hearts.

"The Communists have never been able to make progress until they have been able to get these student intellectuals to be their standard bearers. This poses a problem both within and without the country. Within the country, the educational system, the legislative system, the family, the religion, and all cultural influences should be so tuned that they build a mind and a character with an understanding of the American heritage and moral values; a confidence in your constitutional system, your government by law, your economic systems of free competitive enterprise. Associated with this understanding, there should be a national patriotism that will immunize the youth against the very insidious communist propaganda.

"The first thing is to educate young people who believe in their God, their country, their family, their Constitution, their liberty under law and who are proud of their heritage. They then will not easily be swayed by Godless (and anti-Christian) materialistic concepts."

If you are one of these student intellectuals, most likely a pseudo-intellectual, who believes he is one of the elite, the chosen, and the intellectual aristocracy and who favors anti-Christian Bolshevik ideology, you'd better realize that there are millions of people in the U.S. who despise you and think that you are the lowest

form of creatures upon earth, and they will finally crush you and your international conspiracy.

Sleeping patriots are waking up every day. You will lose and you will be drowned in your own blood, just as you had planned to do to the Christians of this great country.

If you are not one of the pseudo-intellectual students mentioned above, but you know one, you had better show him this article, written by a college student who is "fed up" with communist-inspired threats and disruptions at his campus, and all campuses in the United States.

## WOMEN for PEACE

Too often, patriots read only patriotic literature and neglect to read the enemy's propaganda. Much can be learned from the enemy's literature, and it is also useful for proving to doubting friends many things which you know only by intuition, because you are a patriot. Following is a selection from MEMO, the magazine of Women Strike for Peace, of which the Chicago group, Women for Peace, is a branch. Please read it and also read our notations on it. While you are reading it, keep in mind the following quotation from Dimitri Manuilevski, a Soviet official, before the Lenin School of Political Warfare in Moscow:

"War to the hilt between communism and capitalism is inevitable.... To win we shall need the element of surprise. The bourgeois will have to be put to sleep. So we shall begin by launching the most spectacular peace movement on record. There will be electrifying overtures and unheard-of concessions. The capitalist countries, stupid and decadent, will rejoice to cooperate in their own destruction. They will leap at another chance to be

friends. As soon as their guard is down, we shall smash them with our clenched fists."

## EXPLANATIONS FROM RUSSIA

This summer an invitation was extended by the Soviet Peace Committee to the American Friends Service Committee (AFSC) for a 10-day visit of sightseeing and conferences with the request that other American peace groups be included. Three women and 8 men embarked on this venture and left Kennedy Airport Nov. 6. Anni Koppel of Seattle represented Women Strike for Peace (WSP) in the usual WSP fashion, with the blessings of the National Consultative Committee but without concomitant instructions. A very complete account of the trip will be made available early next year by the AFSC. The following is a series of personal impressions hurriedly put together to meet the MEMO deadline.

I am well aware that today visits to the Soviet Union, even as a guest of the Soviet Peace Committee, is not unusual; from a personal point of view, however, it has been a meaningful series of events that I will try to share in this brief account.

## SPIRITS HIGH

The flight from London to Moscow brought me in contact with Russians. Visiting, in spite of language barriers, was easy and their invitations to join in a drink spontaneous. My inability to follow in their tradition to empty a glass in one gulp gave rise to much laughter and coaxing. With spirits high (I'll bet) we reached Moscow.

## REVOLUTION CELEBRATED

A banquet awaited us. The adjacent main dining room was jammed mostly with family groups eating, drinking, dancing in celebration

of the Revolution. The dances varied from the traditional valse, tango, to Russian national dances and the latest American. The orchestra included in their repertoire an old Jewish tune.<sup>1</sup>

The 2-day -- Nov. 6 & 7 -- holiday mood extended over an additional 2-day weekend and the spirit was genuinely contagious. After dinner, although late, we walked to and in the Red Square. During that holiday Red Square and other public places are free from vehicle traffic. I wish I could have been suspended six feet above the crowd to observe the surging groups without being made aware that I could not keep up with their pace and vigor. There were young people linking arms and singing; family groups, which invariably included a grandmother; people gathered around musicians or a speaker, often holding flowers or a package to be taken to their next place of visit or party.<sup>2</sup>

Next day, sightseeing--the many wondrous old and historic buildings in addition to beautiful new ones, including high-rise apartments done in modern style. Museums were crowded with long queues to be admitted; we as "honored" guests gained admission immediately.

### YOUNG PIONEERS

Our visit to the building of the Young Pioneers was enhanced by two young guides -- girls 12 and 14 years old. This was their first

-----  
1. Why?

2. Notice how they are trying to make it seem as if the Russian people are as free and well-off as we are, and also how happy they are supposed to be at the anniversary of the Revolution!

3. Why would the Women for Peace be treated like honored guests by the Communist government of the Soviet Union?

experience taking Americans on the tour. We could not help but be impressed by their competence and maturity in responding to our many questions. The facilities are used by children 8-18 for after-school activities, arts, sports, etc. Any child who wants to participate may do so.<sup>4</sup> The membership is large and similar facilities are available throughout the country. Vacation activities also are part of the program.

### UNDERSTAND MOOD OF PEOPLE

There is a reason why I dwell at such length on describing the mood, the spirit of the people I had occasion to observe on a limited basis. The Russian people take much pride in the historic and cultural events of their past, and they hold very firm to the present. They want visitors, foreigners, to respond in like manner. This is particularly difficult for Americans -- we build one day and next we tear it down to make way for a super structure, a freeway, etc.<sup>5</sup> I do not mean to imply that one is good and the other is bad, but rather to emphasize the different concept of values and that from it arise certain difficulties to achieving a meeting of minds.

### NO WORD FOR DISSENT

The word "dissent" is one of

-----  
4. They neglect to say that if any child does not participate, he is taken away from his parents. Also that this is the place where the children receive their indoctrination into communism and away from Christianity.

5. Notice how she makes it seem as though the communists are good and Americans are bad spendthrifts.

the ingredients that make up our peace movement. The Russian vocabulary does not have a word for it.<sup>6</sup> This, of course, does not have anything to do with the Revolution but more with the nature of the Russian responding to his government, responding to authority.<sup>7</sup>

When in our formal talks with the Soviet Peace Committee -- they lasted 3 days -- the question of Czechoslovakia was raised by us, we were given to understand that this was an internal affair and therefore could not be put on the agenda.<sup>8</sup> During the many informal discussions I gained the impression that this "family affair" has not yet been resolved satisfactorily or consensus established.

"Come back a year later when your probing questions can better be satisfied," was the answer we were given repeatedly.<sup>9</sup> Our formal meetings may not have shed much light on the issues raised or established points that could have

6. The Russian vocabulary does not have a word for dissent because dissent from government policy is not allowed.

7. She seems to believe that the Russian people do not dissent because everything the government does is perfect. Why, then, have 60 million Christians been killed since the start of the communist regime? If you think that these women are just naive, remember that the head of the Women for Peace in Chicago is Shirley Lens, the wife of Sidney Lens, who is the head of the communist party in Chicago.

8. If the USSR really believes that Czechoslovakia is simply part of the USSR, why do they have a Soviet ambassador to Czechoslovakia? The U.S. government does not have an ambassador to Illinois.

9. By that time all the Czech patriots will be wiped off the earth and the USSR will again have a free hand there.

led to joint action,<sup>10</sup> yet the frank discussions left the door open for future meetings.

A few words about our meetings with the Women's Peace Committees in Leningrad and Moscow. We were told by members of the Committee that they value above all our candor and sincerity. They want to be kept informed of our activities, the trend of our thoughts, etc.<sup>11</sup> To perpetuate and facilitate this exchange of ideas, I believe it is essential that, outside of newsletters and the MEMO, some of us should maintain an exchange of personal letters.

### JOINT ACTIONS PROPOSED

Two suggestions for joint action came out of our talks with the Women's Peace Committee in Moscow: (1) A confrontation at the Paris Peace Talks: U.S. women to invite women from other countries to meet in Paris reinforced by petitions from their respective countries. (2) A women's congress in the U. S. sometime in the Fall of next year. The program would be based on issues of concern to women -- arts, health, nutrition, etc.<sup>12</sup> Naomi Marcus of WILPF and myself from WSP promised to further explore these ideas with our respective groups.

I personally have come away with a warm and admiring feeling for the Russian people, for their achievements, their aspirations for the future<sup>13</sup> and last but not

10. Why do these women want joint action with the communists?

11. How ridiculous can you get? The orders of these women come from Moscow the same as the orders of the Soviet women.

12. Including the communist desires for world domination.

13. We all know that their aspirations for the future include the placing of the world under a communist dictatorship and the extermination of all Christians.

least, their concern or their guests.

...Anci Koppel, Seattle

and more FROM THE EDITOR OF MEMO:

It is fascinating to observe that the Russian response to an attempt to discuss the invasion of Czechoslovakia seems to be subtly influenced by the manner of questioning and the make-up of the delegation which is doing the questioning. WSPer Anci Koppel, who was part of a very mixed group, received one set of official responses. WSPer Edith Villestrigo, who was part of a much smaller and wholly WSP group, found a very open response, a great eagerness and concern to discuss the whole matter.<sup>14</sup> Her comments follow:

The question of Czechoslovakia was discussed at great length on several occasions during our visit. Our hostesses from the Soviet Women's Peace Committee, the magazine Soviet Woman, and the Soviet-American Friendship Institute all urged us to air our differences openly and frankly.

It was in this spirit of friendly discussion and a mutual desire for peace that we explained the fears of the American peace women that the Soviet use of military force as a means to settle differences will lead toward heightening the cold war and strengthening the militarists everywhere.

The motivations of the Soviet action were explained to us in many different ways. Whether we agree or not, it is important to understand.

-----  
14. Of course, the communist Soviet women would not discuss their hopes in front of a group composed only partly of their true comrades, and partly by naive dupes, but they were glad to talk with the Women for Peace, as they know that the whole group are their comrades.

## FEAR OF GERMANY

First and foremost is the great fear of the Germans stemming from the memory of 20 million Soviet soldiers and civilians killed in the Nazi invasion of W. W. II.<sup>15</sup>

The women reminded us of the U.S. rearming West Germany despite post-war agreements,<sup>16</sup> of nuclear bombs on the West German border, of Chancellor Kiesinger's demand for ever more strength for NATO and already more tanks at his disposal than Hitler had on the eve of his invasion.

## TWO CAMPS

The women stressed that the Soviet foreign policy of peaceful co-existence is well-known as is their desire for world disarmament with an immediate reduction of nuclear stockpiles and delivery systems.<sup>17</sup> Nevertheless, the world is still divided into two camps and, the women declared, peace in the world was threatened in Czechoslovakia by planned counter-revolution aligned to the West.<sup>18</sup>

## NEO-NAZI THREAT

There was evidence, they said, of neo-Nazi infiltration, finding of secret arms caches and many other

-----  
15. See our article in Battle Cry, Vol. 1, No. 2, The Real War Criminals.

16. How about Soviet rearming of East Germany and Soviet threats to invade West Germany?

17. Then why don't they disarm? As it now happens, the U.S. is steadily losing forces, including missiles, submarines, bombers, etc., and the USSR is steadily building up these supplies.

18. Of course, the Women for Peace thought it horrible that a people would want to free themselves from communist domination.

signs pointing to a threat to socialism. They felt they had to take this drastic step because the Dubcek government was too weak to deal with this threat. However, they also maintain that they did not interfere in the internal affairs of the country or take anything from the country.<sup>19</sup> They believe that the troops will be able to leave Czechoslovakia within a matter of months.

They felt that the problem for women of both the Soviet Union and the US is to struggle against new attempts to bring about the cold war. The hope for women is that we work to relax tensions, reduce the arms race and achieve world disarmament.<sup>20</sup>

-----  
19. They did not take anything from the country. Yes, the lives of the Czechoslovak patriots who fought to free their country are counted as nothing to the conspiracy which slew them.

20. One of forty - five "Current Communist Goals" which appeared in the Congressional Record of Jan. 10, 1963, is "develop the illusion that total disarmament by the United States would be a demonstration of moral strength."

A group of 43 American citizens visited the Arab-Israel sector of the Middle East recently, and after they returned they confessed to a feature writer of their local paper that their viewpoint concerning the situation had been radically changed. Their article in the Irving, Texas, Daily News said "A group of Irvingites who recently made an eight-day tour of Israel came back with their outlook on the Arab-Israeli situation radically changed."

"The Rev. Don Dyer of Plymouth Park Baptist Church spoke to the Noon Lions at a luncheon meeting about the observations he and nine members of his church made during their June trip to Israel."

"There were 43 people in all on the tour," he said. "We took a survey at the beginning of the trip and all 43 said they had been in sympathy with Israel during the six-day war last June. I think by the end of the trip, we had all gone over to the Arab side."

"He attributed the strong American sympathy with Israel to one-sided communications. 'We were getting only one side of the story,' he said. 'This was natural' because of the total control of the national news media by the Jews of America."

Do you remember that one month ago the Mapai Party won control of Israel and that the Mapai is the communist party of Israel? Have you begun to wonder why this is never mentioned in the papers, even in so-called "political analyses" of Israel?

THE CRIMINAL'S RIGHTS  
vs.  
THE RIGHTS  
OF THE LAW-ABIDING CITIZEN

For years we have seen an increasing disrespect for law and order in our beloved land. As a result the private citizen has had to learn to defend himself.

Because of Supreme Court rulings, civilian review boards, police brutality charges, the police are finding that they are unable to cope with the soaring crime rate, up 86% in 8 years and still climbing.

We have seen rioting, murder, and rape become common-place. No longer can we walk the streets after dark without the thought of becoming a victim of criminal assault.

In recent years the Supreme Court has become so concerned about the rights of the criminal, that the law-abiding citizen is now almost at the mercy of anarchists, thugs, rapists and even murderers.

The recent Supreme Court ruling stating that a criminal has to be informed of his rights upon apprehension, has opened the prison doors for thousands of hardened criminals, including murderers-the best known one being Danny Escobedo.

How many more will become victims, because most crimes are committed by repeaters!

In major cities ladies fear to walk the streets after dark for fear of being molested!

In Washington, D. C. crime has become so rampant that secretaries working at the nation's capital have to have escorts walk them to their cars. Also, there have been so many robberies that the bus drivers refuse to carry any cash after dark, and issue "scrip." Now bus drivers in Chicago and other major cities are asking their employers to do the very same thing.

Because of breakdown of law and

BATTLE CRY 1-17-69 p. 7  
order it has become necessary for private citizens to take precautions.

We urge our readers to carry a tear gas gun, if at all possible, the same type the police use in order to disperse unruly crowds or individual attackers.

At one time, a woman might have carried a police whistle and blown it if she needed help. However, as shown by some well-publicized incidents, it is obvious that today the victim can't depend on help from bystanders. People don't want to get involved. They will even witness murder and never raise a hand to help the victim!!

That victim might be you!

STUDENTS FOR A DEMOCRATIC SOCIETY

The Students for a Democratic Society (SDS), as it is known today, came into being at a founding convention held at Port Huron, Michigan, in June, 1962. The SDS is an association of young people on the left and has a current program of protesting the draft, promoting a campaign for youth to develop a conscientious objector status, denouncing United States intervention in the war in Vietnam and to "radically transform" the university community, and provide for its complete control by students. GUS HALL, General Secretary, Communist Party, USA, when interviewed by a representative of United Press International in San Francisco, California, on May 14, 1965, described the SDS as a part of the "responsible left" which the Party has "going for us." At the June, 1965, SDS National Convention, an anti-communist proviso was removed from the SDS constitution. In the October 7, 1966, issue of "New Left Notes," the official publication of SDS, an SDS spokesman stated that there are some communists in SDS and they are welcome. The national headquarters of this organization as of July 24, 1968, was located in Room 206, 1608 West Madison Street, Chicago, Illinois.

NATIONAL STATES RIGHTS PARTY (NSRP)

The April, 1969, issue, No. 112, of "The Thunderbolt", publication of the National States Rights Party (NSRP), a characterization of which appears in the attached Appendix, carries the headline on the front page, "Will Nixon Write Off White Vote in '72?"

This article states that columnists Evans and Novak have exposed that President Nixon is seriously considering writing off the South entirely in his bid for re-election in 1972. The article quotes Justice Department official, Jerris Leonard, as saying, "President Nixon would probably do better by following a hard-line for racial intergration and write off all of the South". The article points out that in a private conference in Washington, D. C., last month, Republican state chairmen from 11 southern states were polled and unanimously stated that Nixon could not carry a single southern state today.

This page also shows a photograph of Nixon hugging a black U. N. delegate and captions the photograph "Nixon Hugging U. N. Delegate in Disgusting Display to Win Black Votes".

Other articles on this page concerned one about Senator Strom Thurmond, Republican, South Carolina, being "boiling mad" about Nixon going back on his promise to stop using "HEW" to force integration in the South. It

points out that Senator Thurmond was responsible for Nixon corraling enough of the deep South states to provide his slim margin of victory.

Another article concerns the heated battle in Congress over the anti-missile money issue and states liberals who are against the anti-missile program are in favor of spending this money on Negroes.

Page two of this issue reflects an article concerning Nixon's efforts to have the U. S. Department of Justice demand that private clubs mix racially. The article states that President Nixon has appealed for support of the National Association for the Advancement of Colored People (NAACP) in its efforts to bring suits in court regarding efforts to force private clubs to admit Negroes.

Page three contains one article only dealing with quotes from Max Fisher, described as "Detroit's Millionaire Behind Black Revolution". The article quotes Fisher as saying, "The rise in Negro militancy and anti-Semitism does not give Jews any excuse to withdraw from the battle of equal rights and Negro justice. We are in this struggle to stay - and it does not matter if Negro militants take it upon themselves to tell us to get out...because it is the struggle of every American." The article concludes that Fisher and "The Protocols of Zion" can with their influence in high places and control of the money market eventually gain control of the whole world.

Pages four and five are devoted entirely to "facts" on the Negro race. Page four, in particular, reflects photographs of Negroid types and their differences from the white man. Page five carries the caption "Scientific Evidence - Proof that Negroes are not Related to White People". This page also reveals a photograph of an individual called the result of mating of an ape with a Negro woman.

Page six contains the masthead of the paper identified as "The Thunderbolt" and reflects the address as Post Office Box 6263, Savannah, Georgia, telephone 355-4271. Dr. Edward R. Fields is listed as the editor. The main editorial article by Fields urges President Nixon to retaliate against the North Vietnamese who have made us a laughing stock in Southeast Asia by failing to carry out their part of the bargain to cease rocket attacks upon South Vietnamese cities in return for our agreement not to bomb North Vietnam. This page

## NATIONAL STATES RIGHTS PARTY

also reveals several letters, all complimentary, to "The Thunderbolt" and have to do with such topics as stopping the Department of Health, Education, and Welfare from forcing further integration of the school system and praising a recent book by Earnest Sevier Cox entitled "White America".

Page seven contains more of the letters to the editor, including one from a West German doctor who deplores the Jewish influence throughout the world, as well as one from a purported member of the Mormon Church who describes the Negro as a beast and a letter condemning the spreading of the "hippi cult" throughout America.

Pages eight and nine both reflect anti-Negro and anti-Jewish articles. Page eight reveals that a new chain of fried chicken franchises owned by Minnie Pearl of Grand Ole Opry fame are actually being operated by Negroes. Other articles referred to the marriage of a white Episcopalian minister to a Negress in Philadelphia one month after the minister divorced his white wife. The article points out the fact that our churches and schools are being infiltrated by these "degenerate" types.

Page nine announces the pending marriage of white actress Pat Morrow to Negro decathlon champion Rafer Johnson. This article states that had Bobby Kennedy lived, he no doubt would have been best man at the altar as this is the "mongrelized America to which he had dedicated his life". Other articles on this page indicate that entertainers and television stars Lorne Green, Edie Gorme and Steve Lawrence, as well as Abby and Ann Landers, are all Jews.

An article captioned "Want Free Hand to Slant T.V. News" on page nine states that all three national television networks are run by Jews who slant entirely all of the news through these media and that the so-called reporters are merely readers of the news. The article states that a very interesting aspect of a hearing before a White House Commission investigating TV programing, especially violence, was a statement by ABC President Goldenson that his network has kept "the FBI" TV program on the air despite its very low viewer rating in an attempt to uphold law and order. The article concluded that the Jews are the foremost boosters of the FBI which should be of particular interest to many of the readers of "The Thunderbolt".

## NATIONAL STATES RIGHTS PARTY

Page ten reflects miscellaneous articles concerning NSRP advertisements as well as advertisements concerning a Thunderbolt shirt patch and a photograph of Miss Jane Arnold, 19-year-old full-time NSRP worker. This page also announces that Dr. Edward R. Fields, the editor, is to speak in Peoria and Chicago, Illinois. The Chicago meeting was scheduled for Saturday evening, April 12, 1969, at the Palmer House and the Peoria meeting at the Holiday Inn, 401 North Main Street on Sunday afternoon, April 13, 1969, at 2:00 PM. It also points out that the national convention of the NSRP will be held on Saturday afternoon, 2:00 to 9:00 PM, June 7, 1969, at Dayton, Ohio, and full details will be publicized next month.

Page eleven reflects book advertisements, including one by Attorney J. B. Stoner entitled "Christ not a Jew and Jews not God's Chosen People".

Page twelve includes an NSRP membership application and advertisements regarding "The Thunderbolt" as well as a book and literature list recommended by the NSRP.

Greater Peoria, Illinois area. He advised the meeting was advertised only in the "Thunderbolt", the official newspaper of the NSRP and in the "Prairie Fire", which he believes is the Illinois National States Rights Party publication.

Source 2, who has furnished reliable information in the past, advised that [ ] who gave the opening speech at the meeting, commented as follows:

[ ] spoke about the NSRP and the need for organization in the Peoria, Illinois area. [ ] indicated that in order for Governor George Wallace to win the Presidential election in 1972, the NSRP must get organizers in all sections of the United States in order to recruit voters. [ ] criticized the Nixon Administration, especially his handling of domestic problems and emphasized that many voters who voted for Nixon in 1968 are disillusioned and will vote for Wallace in 1972. b6 b7C

[ ] also stated that the "Jews" need people like NSRP members and that he is employed by a "Jew". In order to prove his point, [ ] stated that several years ago when Dr. Martin Luther King was marching in Chicago, Illinois, he requested to have the day off from work and told his employer, a "Jew", that he was going to Chicago, Illinois and throw rocks at the "niggers". [ ] stated his employer was astonished by his statement but his employer did not tell him anything, try to stop him or fire him. b6 b7C

[ ] advised that the police are against NSRP members and will attempt to handicap their efforts. [ ] stated that he lead twenty five factory workers against the students who seized and occupied some of the buildings on the University of Chicago campus.

Source 2 advised [ ] did not comment any further as to the details or his specific activities at the University of Chicago.

Source 2 advised that Dr. Edward R. Fields commented as follows:

~~CONFIDENTIAL~~

NATIONAL STATES RIGHTS PARTY

Dr. Fields spoke on the need for NSRP organization and indicated that voters are discontented with Nixon's administration and if the NSRP can organize, Governor George Wallace will be the President in 1972. Dr. Fields gave as an example a segregationist, who was recently elected in Cicero. He advised the segregationist, Pelligreni (PH), was elected because the people are fed up with integration. Dr. Fields emphasized the need for white blood to remain pure and used the anatomy of man as his defense against integration. He advised he is in support of sending "the niggers" back to Africa and once the NSRP has enough money they will furnish financial aid to those "niggers" who desire to return to Africa.

Dr. Fields stated that if Senator Thurmond supports Governor Wallace in 1972, Wallace will win in 1972.

Dr. Fields also indicated the need for funds for the NSRP which can be used for bond money in order to help the members who are arrested in civil disorders. He advised that by leading two hundred and fifty men he could have quickly put down the riot and prevented the march which recently occurred in Chicago, Illinois a week ago.

Source 2 advised the meeting concluded with a question and answer period.

### NATIONAL STATES RIGHTS PARTY (NSRP )

On November 26, 1957, a source advised that the United White Party, (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank-and-file "States Righters" had merged with the UWP under "the banner of the National States Rights Party" with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 6263, Savannah, Georgia 31405.

On August 4, 1965, a source advised that Edward R. Fields, the Information Director of the NSRP and Editor of "The Thunderbolt" is the individual who actually controls the NSRP.

Issue No. 100, dated April, 1968, of "The Thunderbolt" reflects Dr. Edward R. Fields to be National Director of the NSRP as well as Editor of "The Thunderbolt".

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

## II. MEMBERSHIP

On April 17, 1969, a confidential source, who has furnished reliable information in the past and who has knowledge concerning the subject and his activities, advised that from comments made by the subject and his associates it appears that the subject does not at this time consider himself to hold any office in the NSRP. Subject was formerly considered to be Illinois State Chairman of the NSRP.

Source advised that [REDACTED] continues to associate with members of the NSRP and discuss activities of this group, and from this, source believes that [REDACTED] considers himself to be a member of the NSRP. This group has no formal organization in the Chicago area at this time.

b6  
b7C

## III. ACTIVITIES

On March 11, 1968, this source advised that [REDACTED] who resided at 9921 South Leavitt Street, Chicago, Illinois, indicated interest and support in a NSRP proposed project of sending a Negro family to Liberia to live. [REDACTED] and others estimated that this would cost about \$400 per person. It would be done to gain national press coverage of the NSRP and would not be repeated.

b6  
b7C

RE: [redacted]

During conversation with other NSRP members in the Chicago area, [redacted] suggested sending copies of "The Thunderbolt," national publication of the NSRP, to barbershops in the Chicago area.

[redacted] again made clear his inability to aid the NSRP in Illinois, either financially or with his time and effort.

b6  
b7C

On March 22, 1968, this source advised that [redacted] recently commented that he was considering driving to the NSRP headquarters in Savannah, Georgia, sometime in April, 1968. He said that he might do this "just to get away" for a few days, and to discuss with NSRP leaders his idea of a NSRP sponsored radio program.

On April 11, 1968, this source advised that [redacted] continues to indicate an interest in the NSRP and associate with the few individuals in the Chicago area who maintain an interest in the NSRP. The subject has not reportedly been recently active in any NSRP programs or activities.

On June 14, 1968, this source advised that on June 2, 1968, [redacted] and other NSRP members attended a gun sale at Waukegan, Illinois. [redacted] indicated an interest in purchasing a long barrel German Luger hand gun. He did purchase some .22 caliber rifle shells.

b6  
b7C

During general conversation on this date, [redacted] stated that he would like to see stink bombs exploded in all the Chicago theaters that featured "race-mixing" films. He gave no indications of plans to do this.

Source advised that [redacted] continued to complain about his lack of money.

[redacted] at times such as this when he is away from his wife, makes a number of verbal passes at women he meets in public. He commented that he would like to attend the national convention of the NSRP this year so that he could get away and meet some young girls.

b6  
b7C

On July 15, 1968, this source advised that [redacted] recently commented that the NSRP was presently inactive in the Chicago area.

On August 22, 1968, this source said that [redacted] left on August 18, 1968, for a one week vacation to New Orleans, Louisiana with his wife and two children.

RE: [REDACTED]

On September 13, 1968, this source reported that [REDACTED] continued to associate with his friends in the NSRP. They met on September 9, 1968, and talked about ways of get publicity for the NSRP. [REDACTED] suggested that one of them call the police and report that he had been threatened by a "black power militant," or that he had received a letter with such a threat. Source advised that this appeared to be just discussion and there was no indication that it was being carried out.

b6  
b7C

On December 12, 1968, this source advised that [REDACTED] still indicated his desire to associate with the few hard core members of the NSRP in the Chicago area and discuss proposed activities for this group. There appeared to be very little actual action carried out by these individuals other than meeting and talking.

On January 6, 1969, a second confidential source, who has furnished reliable information in the past and who has knowledge of the activities of the Minutemen and its political arm, the Patriotic Party, advised that a regular monthly meeting of the Patriotic Party of Illinois was held in the Chicago area on January 5, 1969. There were about 30 persons present, including [REDACTED] and his wife. Discussion concerned national politics, third party movements and alleged plots by banking interests to take over world. There was no attempt to conceal the fact that the Patriotic Party was the political arm of the Minutemen.

b6  
b7C

A characterization of the Minutemen organization is attached as an appendix to this communication.

On March 1, 1969, the first confidential source advised that [REDACTED] used his own money to secure parlor B on the sixth floor of the Palmer House Hotel, Chicago, for a public meeting on the evening of April 12, 1969, at which Dr. Edward R. Fields, National Leader of the NSRP, was scheduled to speak. [REDACTED] hoped to get this money back from donations at this meeting. Fields intended to arrive in Chicago on about April 10, 1969, and hoped to make several speeches and possibly radio and television appearances in this area on behalf of the NSRP.

On March 10, 1969, this source advised that [REDACTED] recently appeared on Channel 7, WLS, in Chicago, Illinois, as a short rebuttal to a recent editorial by this station favoring a contract buyers league. [REDACTED] a NSRP member, identified himself as a representative of the Illinois Small Business Men's Association.

b6  
b7C

On March 15, 1969, this source advised that [REDACTED]

RE:

met with several other members of the NSRP and "right wing" individuals to discuss what they could do about a public meeting planned at Wright College in Chicago at which "left wing" groups were to be present. Little was decided beyond suggesting that the speeches might be disrupted by heckling from the audience.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

Issue No. 88, dated April, 1967, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 6263, Savannah, Georgia, 31405.

On August 4, 1965, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP and Editor of "The Thunderbolt," is the individual who actually controls the NSRP.

Issue No. 100 dated April, 1968, of "The Thunderbolt," reflects Dr. EDWARD R. FIELDS to be National Director of the NSRP as well as Editor of "The Thunderbolt."

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

APPENDIX

NATIONAL STATES RIGHTS PARTY  
CHICAGO, ILLINOIS (NSRP)

A source advised on February 8, 1966, that the Chicago branch of the NSRP was located at the NSRP National Bookshop at 2237 North Western Avenue, Chicago, Illinois. The Chicago branch of the NSRP was officially opened on December 29, 1965, when Dr. EDWARD R. FIELDS, National Director of the NSRP, spoke at a rally held at 2237 North Western Avenue, Chicago.

The above source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago branch of the NSRP subscribes to the policies of the National Office. The Chicago branch of the NSRP believes there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP believes that the Jews and Negroes should be exposed in their attempts to have integration between whites and Negroes.

A second source advised on January 17, 1967, the Chicago branch of the NSRP was bankrupt and unable to pay rent for premises at 2237 North Western Avenue, Chicago. This source advised on March 3, 1967, the Chicago branch NSRP vacated the premises at 2237 North Western Avenue and ceased to function as an organization on March 1, 1967. On March 1, 1967, according to source, members agreed to remain in contact with each other until such time as they could reorganize NSRP at Chicago.

On May 28, 1968, the second source advised the NSRP does not have a headquarters at Chicago; however, members have maintained contact with each other and plan to reactivate the group if civil rights demonstrations commence in Chicago.

APPENDIX

"MINUTEMEN"

The "Minutemen" was organized in June, 1960. Its present headquarters are Norborne, Missouri. Robert B. DePugh, Norborne, Missouri, has been publicly identified as the founder and National Coordinator of the organization since its inception. Membership of the "Minutemen" is claimed by DePugh to be in excess of 35,000 members, however, confidential sources state this figure is greatly exaggerated and that a more true estimate would be between 500 and 1,000 members. Statements by DePugh and literature distributed by the organization indicate its purpose to be the resistance to and exposure of, the spread of Communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

In April, 1966, DePugh stated the "Minutemen" organization was then dividing itself into two bodies; one group to be members who have been able to maintain their identity in complete secrecy from the public and government investigative agencies, and the other group to be made up of members who have been publicly identified and who will become active in the Patriotic Party. National conventions of the Patriotic Party were held in July, 1966, at Kansas City, Missouri, and July, 1967, at Kansas City, Kansas.

Members of the "Minutemen" organization, including Robert B. DePugh and his close associate, Walter P. Peyson, have been arrested in the past on charges of violation of the Federal Firearms Act, Bank Robbery - Conspiracy, Illegal Possession of Firearms and Conspiracy to Commit Arson. They have also engaged in maneuvers utilizing guerrilla tactics wherein machine guns, mortars, grenades, and other firearms were employed.

MINUTEMEN (CHICAGO, ILLINOIS AREA)

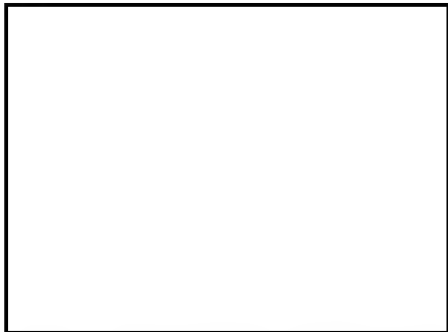

In June, 1968, a source advised that in early 1968 a Chicago unit of the Minutemen organization was formed as a small secret group within the Ticonderoga Gun Club in Chicago, Illinois. This unit appeared to follow the aims and purposes of the national Minutemen organization, and maintains correspondence with the national headquarters. The group holds meetings, has engaged in several training sessions, primarily concerning survival, and is attempting to develop a program of activities.

NATIONAL STATES RIGHTS PARTY

The May, 1969, Issue #113 of "The Thunderbolt", publication of the National States Rights Party (NSRP), a characterization of which appears in the attached appendix, carries a headline on the front page, "Nixon For New Civil Rights Law. . . Would Imprison Those Not Hiring Negroes".

The accompanying article accuses President Richard M. Nixon of continuing his drive to capture the black vote for the Republican Party, charging that it is almost unbelievable that Nixon would so quickly turn his back on the white people who elected him. It states that his actions give such groups as the NSRP its greatest opportunity in history to rally people in a real white voters revolt.

The majority of the articles on page 1, 2 and 3 relate to President Nixon's appointments of Negroes and Jews to positions in Government; the description of John R. Pellegrini as a segregationist who had won an election in Chicago suburbs; that Detroit police revolted against the actions of a "black judge" who freed a large number of Negroes after the murder of two police officers.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

## NATIONAL STATES RIGHTS PARTY

Another article on Page 3 charges that there is a plot to have whites adopt black babies and that this action threatens race genocide. An advertisement on this same page suggests that readers mass distribute the NSRP's complete program for deporting Negroes "back to Africa".

Page 4 is completely devoted to an article headlined, "Jews Fight To Hold Alliance With Blacks Together". The article speaks of "black anti-Semitism" and relates that the Jews have created a real Frankenstein monster in the Black Revolution, charging that the Jewish braintrusts hope that racial violence can be controlled and directed against white Christian America, forcing a liberal Government administration into one day establishing a Jewish dominated totalitarian state where white people would find themselves enslaved. The article notes that the split within the Jewish-Negro Alliance appears to be widening and that it might be the political beginning "we have all been waiting for", since there would be a rapid deterioration in Jewish power in America and their power base would be broken, opening the door for a right-wing drive for power.

An article on Page 5 charges that "Jews Taking Over Un-American Activities Committee", with an accompanying picture showing Miami Beach Congressman Claude "Red" Porter with various individuals it identifies as having Communist connections.

Page 6 contains the masthead of the newspaper and identifies it as being published at Savannah, Georgia, with mailing address of Post Office Box 6263. An editorial on this same page is by-lined by Dr. Edward R. Fields and relates to comments on the recent additional report of the Kerner Commission, describing them as "muddle-headed bunch of pseudo intellectuals" who have again warned that the nation faces unprecedented disorders if the demands of the black minority are not appeased.

The balance of Page 6 and Page 7 are mostly devoted to letters to the Editor, all of which are identified by initial and/or place of origin.

## NATIONAL STATES RIGHTS PARTY

Page 8 contains comments on the television appearance by Dr. Edward R. Fields in Chicago, Illinois, on April 12 and 14, 1969, as well as information that on April 10, 1969, Fields addressed the student body at Egan College in Chicago, Ill., with the meeting being sponsored by NSRP student members on the campus. This article noted that the local NSRP student representative was Al Misiag, adding that the entire lecture was filmed by NBC-TV, but has not yet been shown.

Page 9 announces that the NSRP national convention was definitely set for Jacksonville, Florida on June 7, 1969, from 2:00 PM until 9:00 PM and that the following speakers would be heard:

Attorney J. B. Stoner, Savannah, Ga.  
Bob Barber, Los Angeles, California  
Ned Dupes, Knoxville, Tennessee  
Roy Wake, Chicago, Illinois  
Gene Wilson, Jacksonville, Florida  
Kenneth Adams, Anniston, Alabama  
Bob Lyons, Baltimore, Maryland  
Neuman Britton, San Bernadino, California  
Norman K. Anspach, Little Rock, Ark as  
R. D. Eldridge, Dayton, Ohio  
Jerry Pope, Covington, Kentucky  
Dr. Edward R. Fields and Many Others.

Page 9 also contains an article headlined "Illinois Meetings Accelerate Activity", noting that on April 12, 1969, Martin Barrett and Dr. Fields addressed a group of NSRP supporters at the Palmer House in Chicago with Barrett speaking on the organization and Fields speaking on scientific information proving Negroes are inferior to white people. The article had an accompanying picture of Roy Wake, identified as Editor of "The Prairie Fire", official Illinois state publication of NSRP.

Pages 10 and 11 contain reprinted articles related to scientific evidence that Negroes are not related to white people as well as republishing a photo of the alleged result of the mating of an ape with a Negro woman.

Page 12 is devoted to a list of literature and publications available from the NSRP as well as a reproduced membership application.

He appears to have demonstrated his extreme views to this small town while still in high school. It appears he has done little or nothing of a political nature for one or two years. He had a M1 Carbine with scope and sling and another unidentified rifle. In Montana of course it is not unusual to have several firearms. The M1 Carbine is not very popular however in Montana but right wingers seem to favor it for some reason.

# Return Negroes to Africa-NOW!

The foremost White organization promoting the Back to Africa Movement is the National States Rights Party. Since our founding, this was one of the foremost planks in our official platform. We picked up the mantle of the old American Colonization Society which sent 20,000 Blacks back to Africa before the Civil War.

The NSRP has published and circulated many thousands of copies of a 10,000-word document detailing the history of the Back to Africa movement and the many who backed it, such as Presidents Thomas Jefferson, Abraham Lincoln, Millard Fillmore and Ulysses S. Grant.

Down through the years it has always been the Jews and liberal abolitionists who have opposed the repatriation of the negroes back to Africa. They wish to keep them here in order to have a controlled bloc vote for left-wing political candidates and for the purpose of interbreeding and diluting the White race.

After World War I, 6,000,000 negroes signed petitions for the black leader Marcus Garvey seeking government aid in order to return to Africa. This year a negro Congressman, Robert Nix of Philadelphia introduced a bill in Congress that would provide federal grants to promote and finance the return of all U.S. negroes to Africa. It would also aid them in establishing new cities in Africa. The entire cost of this measure is far cheaper than the amount we are now spending on welfare, poverty aid, public housing, crime fighting, etc. Most important of all it would stop interracial mongrelization of the races, which is the greatest peril of all.

The press has almost totally blacked out all the news on this subject. The simple fact is that the Back to Africa Movement would completely solve the race crisis, and largely the crime problem in America. The Jewish high command wishes to keep the negro in our midst as their foremost weapon to create a dictatorship out of the chaos of Black Revolution.

## ACTION IS NEEDED NOW!

We, of course, know the great power the enemy has to silence and bury Cong. Nix's bill in the Congressional hopper. The NSRP has made a survey of negro Back to Africa groups in America. There seem to be three main ones presently in existence. They are "Alpha Betta, Congregation" and "Peace Movement of Ethiopia" in Chicago and the "African-American Repatriation Association" in Philadelphia.

These groups are small because the daily press has blacked out their activities and programs. They give all the headlines to the Black Militant groups which are causing so much violence and destruction, such as the Black Panther Party. Naturally the groups the masses of negroes join and support are those receiving the most publicity. The following will give you some idea of what these Black Nationalist Groups stand for:

AFRICAN-AMERICAN REPATRIATION ASSOCIATION, "Africa, our fatherland, is 90% illiterate, three times the size of the United States, underpopulated, rich in undeveloped natural resources and in need of skilled people. And remember, that according to African standards, there are no unskilled Black people in the United States.

"Africa needs us and we need Africa. Our purpose in America has been served--we must now leave and build Africa as we built America, to serve our world as we served the New World."

THE PEACE MOVEMENT OF ETHIOPIA, "Forced school integration will not solve the problem. Neither will integration of the races. The only real solution to this problem is separation of the races. There are many of us in this country that will voluntarily go back to our ancestral homeland, Africa, if given the chance and the help we need. It will stop this."

fighting and destruction that is going on now. Let those of us who want to go home--GO!

"Our country (Africa) wants us and we want our country. We want to be independent just like the White man is here, but we want it in a country of our own. We will never be free and independent here. The Whiteman is not going to let us have the same freedom that he has. So let us go home where we can work out our own soul-salvation."

Certainly no NSRP supporter can find fault with the above, it sounds as if we ourselves had written these lines for the blacks.

#### ROOM FOR CO-OPERATION

While the NSRP is pro-White and the above groups are pro-black, we stand amazingly close on these issues. The Jew press lords in America want these Black Nationalist groups suppressed just as badly as they want the NSRP silenced. Clearly, there is plenty of room here for co-operation in the common goal of aiding great numbers of Blacks in America to return to Africa.

There is little doubt in our minds, that with a high powered promotional campaign, the Back to Africa idea can be presented to the American negro in such a way that the majority of them will voluntarily enroll in a mass resettlement program.

What can be done to help these Back to Africa groups and really bring national attention to the good work they propose?

The National States Rights Party believes that it has the answer. It is not possible for us to detail our plans in this letter because it would enable the enemy to foil them. We can say this; first of all, everyone realizes that there is strength in UNITY. It is important that we try and bring these black groups together into one BACK TO AFRICA FRONT. Then, more important than anything else, WE NEED TO SEND NEGRO VOLUNTEERS BACK TO AFRICA NOW!

We know that the present Back to Africa bill pending before Congress has little chance of passing right now. We need to build a powerful ground swell behind it so that it will have a chance of passing in the near future. This task is going to take the combined efforts of all of us.

In order to demonstrate our sincere intentions before the entire U.S. public, we are actually working now to arrange for the National States Rights Party to send some negro families back to Africa. We are right now in contact with the above named black groups. There needs to be a dramatic expression of our sincere concern proving we practice what we preach!

Once a small number of families are repatriated back to Africa, we may be able to awaken the national consciousness of the nation so that private contributions may enable huge numbers of Blacks to make the move. Then and only then, will we be able to build the fires under congressional seats to force them to listen to the voices of the people and PASS THE BACK TO AFRICA BILL. We hope to be able to give you some sensational news within the next 30 days announcing that co-ordinated maneuvers have been made with these Black Nationalist groups to at last begin the big move. We must take it upon ourselves to send Blacks back to Africa and have it groundswell into a popular nationwide movement.

#### BEWARE OF THE BIG SMEAR

Whenever a single right wing organization becomes too big for the Jewish forces to contain, they ready the big smear campaign to try and cut it down to a manageable size. The NSRP has been so active on so many fronts on a national scale, that we have the enemy running scared. We are now too big for them to handle, as we have moved from the defensive to the offensive.

There has been a reporter traveling all over the country gathering smear material for an all out blast against the National States Rights Party. By the time this newsletter reaches you, or within 15 days thereafter, a national magazine is going to attack us in the most vicious smear ever unleashed against us (according to the reports we are receiving). This could come in either Life, Look, or Esquire magazines.

The name of the man who is writing the vicious smear is Jack Nelson, a staff hatchet man for the "Los Angeles Times." He is now on lease to the Anti-Defamation League which he admits is the most fertile field for his gutter 'research'.

The main brunt of the smear attack will fall upon Attorney J.B. Stoner for his

BIG CONVENTION -- JUNE 7 & 8th

The National States Rights Party will hold its 1969 National Convention this year in Jacksonville, Florida at the Holiday Inn. All members and supporters should plan to attend. Many have already written us that they are going to work this meeting in with their vacation plans. They are going to bring their wives and children. All are welcome and refreshments will be served.

Remember that all the sights of St. Augustine, Daytona Beach and Silver Springs are but a few hours driving time from Jacksonville. Attorney J.B. Stoner and his staff will be staying at the Holiday Inn. If you plan on staying there also, phone or mail your reservation requests in at once. Excellent beach cottages are also available at nearby Jacksonville Beach.

This will be an important occasion for the NSRP. We will have elections for National Chairman and National Executive Committee. This event occurs only once every four years and is a most important occasion for the NSRP. The new NSRP Man of the Year will be named and presented with an impressive plaque, there will be reports from all National Officers, along with a specific outline of things to come.

We hope that you will make plans immediately to be with us in Jacksonville, Florida for a real festive convention. NSRP leaders from California, Illinois, Texas, Arkansas, New Jersey, Maryland, Ohio, Michigan, Kentucky, Tennessee, North Carolina and many other states will be there. Tickets to the convention are \$2 per person--no extra charge for children. Send in today for your tickets, as only those bearing said credentials will be admitted to this convention. Let's make this a green light go-ahead thrust for our movement--see you in Jacksonville June 7 & 8.

accepting a role in the legal defense of James Earl Ray, accused of shooting Martin Luther King (a charge of which Lawyer Stoner and the two other attorneys will prove him innocent). Mr. Stoner is receiving no pay for his role in Mr. Ray's criminal and civil cases. Yet despite these sincere efforts, we must now brace for the smear of the century, due out before the end of this month. Reportedly they will accuse Attorney J.B. Stoner of being "worse" than James Earl Ray. Let all NSRP supporters be on guard against such below the belt attacks and be ready to defend your Party before all your acquaintances when this subject comes up.

### WE WILL NEVER BACK DOWN

The enemy has never been able to buy out or back down the NSRP or its leadership. (Once your editor Dr. Fields and a past NSRP treasurer, Mr. Carl Ridout, were offered \$25,000 each to testify against our great Vice Chairman, J.B. Stoner. Needless to say, we kicked the perjury-seeking scum out of our Headquarters.) This just gives you some idea as to how bitterly the enemy hates Attorney J.B. Stoner and just how desperate they are to stop his great work in defending Patriots--even going so far as to try framing him into prison, if possible.

The National States Rights Party has brilliant and fearless leaders, that is why our movement is making such vast progress all across this land. We are clamping a vise-like grip on the enemy and they are desperate to find some way to stop us. Needless to say, we must desperately count on your continued faithful monthly support to keep this bold cause building up more and more pressure on the enemy.

Our chief source of funds comes from you, our loyal supporters. We have no single big source of contributions and we receive no advertising from which we could finance this cause. It costs thousands of dollars for traveling expenses involved in organizational work. Printing and postage alone run into the thousands every month. To increase our activity, we urgently need increased support from you, our hard core friends. From the huge flood of letters pouring into this office we know that you approve of our effective and productive fight and want it to continue to the fullest. Help us so that there will be further step-ups in activity, and never a slowdown. We know of no other place you can give, where your dollar will bring more constructive action than to the NSRP. Give us your VOTE OF CONFIDENCE today. Rush in a contribution for this month. Donations in the amount of \$500 or \$100 are within the range of some of our supporters and would be an effective boost to the NSRP. We, of course, realize that the smaller givers of \$50, \$25, \$10 and less make up the real backbone of this cause. In fact, our very existence as a political movement is dependent upon the regular and faithful support of our smaller contributors. Do not let us down, actually the strength of this cause is in your hands. GIVE US THE POWER so that we may continue to rally White Americans and boldly carry the battle to the enemy. Looking for your letter of reply, I remain:

Yours for America First,

P.S. All who help this month will receive as a bonus a copy of the new booklet, "Statements on Palestine" by Dr. Izzat Tannous before the U.N. on behalf of "The Palestine Liberation Organization." The theme is "We would rather die on the field of honor than live in the disgrace of exile." We will also include with it a copy of our 10,000 word "Back to Africa" program in case you have not already seen it.

NATIONAL STATES RIGHTS PARTY

The June, 1969, issue, No. 114, of "The Thunderbolt", publication of the National States Rights Party (NSRP) (see appendix), is headlined "Exposed: Real Facts Behind Abe Fortas Scandal". The accompanying three-column story, which is continued on page 2, outlines various allegations against Fortas, noting that former President Lyndon Johnson had long used Fortas to do his dirty work. It refers in the article to the fact that Fortas is a Jew and comments that his unsatiable greed made him the first Justice in U. S. history to be forced to leave office in disgrace.

Another article on the same page comments that pressure is being exerted to stop a full investigation of Fortas and a smaller article accompanied by a picture notes that J. B. Stoner would address the NSRP Convention in Jacksonville, Florida, as one of the main speakers.

Page 2 contains an article commenting that "The Thunderbolt" has learned that President Richard Nixon has already selected another Jew to replace the discredited Jew, Abe Fortas, on the Supreme Court, naming Henry Friendly, described as a Jewish Judge from New York, as the individual who may be Nixon's choice to succeed Fortas. The article urges readers to write President Nixon to tell him they have had enough of Jews like Louis Wolfson and Abe Fortas.

## NATIONAL STATES RIGHTS PARTY

Page 3 contains an interview identified as being originally published by the "Savannah Morning News", a daily newspaper in Savannah, Georgia, under the by-line of the "Savannah Morning News" writer Fred Sedahl. The interview is with Jerry Ray, younger brother of James Earl Ray, who is serving a life sentence for the assassination of Dr. Martin Luther King. Ray is quoted as stating that the Federal Government may have been responsible for King's death and that the government "or whoever had it done" was now trying to prevent his brother from getting a jury trial on the murder charge. The article contains various other interview information from Ray, including the allegation that Federal Agents had offered him a tavern and license with stock if he would help apprehend his brother.

A three-column article on page 3 alleges that six government tests had proved that Negroes were inferior and that special programs failed to help Negroes.

Pages 4 and 5 are devoted to various stories concerning individuals identified as being Jewish, including an allegation that communist Jews rule East Germany and an alleged statement by Senator Jack Tenney, former UnAmerican Activities Committee Chairman, that communism is directed by Jews.

Page 6 contains the masthead identifying the paper as being published by The Thunderbolt, Inc., P. O. Box 6263, Savannah, Georgia, and the Editor as Dr. Edward R. Fields.

An editorial on the same page is by-lined by Miss Jane Arnold and is titled "One Race - One Nation". This editorial concludes that NSRP is "One Political Movement; It Is the White People's Party". It states the NSRP is the only organization with the strength and leadership to purify America of the mongrel alien enemy and free our nation from the crime of race mixing.

Pages 6 and 7 also contain reproduced letters, most of which are signed by initials or some other way, although one letter is identified as being from Phillip Bonine, P. O. Box 117, Parkwood Avenue, Macon, Georgia.

## NATIONAL STATES RIGHTS PARTY

Mr. Bonine states he would like to correspond with fellow racists and patriots near his own age of 19.

A reproduced letter on page 7 occupies most of the page and is identified as being from a Knoxville reader with the initials "R.W." detailing how black power radicals infiltrate grade schools.

Page 8 is devoted to more reproduced letters from individuals, none of whom are identified by name, and page 9 contains information concerning the scheduled NSRP National Convention at Jacksonville, Florida, June 7 - 8, 1969, at the Holiday Inn, 555 Stockton Street, Jacksonville. Page 9 also contains a smaller article relating to the fact that Dr. Edward R. Fields had appeared on WOD Radio, Davenport, Iowa, April 18, 1969, and the two-hour program was hooked up by telephone to Dr. Fields' office in Savannah, Georgia. The article notes that the moderator, Bob Allard, requested those opposing Dr. Fields to give his adherents a chance to call and that the switchboard "lit up" with supporters showing widespread interest for the NSRP in the middlewest.

Another article on this page notes that groups representing chapters from as far away as Los Angeles, Chicago and Newark were sending delegates to the Jacksonville convention.

Pages 10 and 11 concern mostly articles about Israel or Jews, one of which alleges that Jews had secretly informed their own people that "Our position is secure in Russia."

Page 12 reproduces a membership application for the NSRP and contains other advertisements for various publications available from the NSRP.

Copies of this letterhead memorandum are being furnished 11th MI Group, Fort McPherson, Georgia; NISO, Charleston, South Carolina; OSI, Robins Air Force Base, Georgia; and U. S. Secret Service, Atlanta, Georgia.

This same page also notes information that Dr. E. A. FIELDS, NSRP Director, "appeared" on WOC Radio, Davenport, Iowa, on 4/18/69. According to the article, it was the BOB ALLARE SHOW and FIELDS was hooked up by telephone from his office in Savannah.

It is noted that page 7 is almost entirely devoted to the reproduction of a "letter" from a Knoxville reader with the initials "R.W." detailing how black power radicals infiltrate grade schools. This same page also contains a reproduced letter from an organization identifying itself as "The Constitutionlists", P. O. Box 1024, Englewood, Colo. 80110, which appears racist in nature.

It was learned that Illinois NSRP leader [ ] telephonically contacted [ ] this afternoon. [ ] said he had received a letter today from Dr. EDWARD R. FIELDS. It was later learned that [ ] received a copy of the letter. The letter was long and Dr. FIELDS stated its contents must not be released to anyone. In the letter, FIELDS directed [ ] to contact the A-Beta Israel Congregation at once concerning sending families back to Africa. It appears FIELDS has been in letter contact with the leader of this church at 3725 South Indiana Avenue in Chicago, Illinois. This man has told FIELDS he will cooperate with the NSRP, and he has families ready and willing to move to Liberia. FIELDS wants [ ] to meet the leader of the group and to interview these families, and to move ahead and line up one or two and have them renounce their United States of America citizenship and prepare to leave for Africa. FIELDS then states he can get the money for their fare at once and he will fly to Chicago, purchase their tickets and call a press conference at a downtown hotel. FIELDS would invite the press to the airport for the "big send off." It appears that FIELDS has people lined up who will foot the bill for "several families" the term FIELDS used in his letter. A family of four from Chicago to Monrovia Liberia would cost over \$1100. FIELDS seems most anxious to move ahead at once. He states in his letter that the June Thunderbolt will be the convention issue and go to press by May 15th, and he would like to conclude this action by that date. FIELDS makes no mention of passports or entrance permits into Liberia. It has further been learned that the NSRP convention has been moved to Jacksonville, Florida, with the same dates of June 6, 7 and 8, 1969. This will be stated in the May 1969 Thunderbolt. [ ] is listed as a speaker. It is not clear what action [ ] will take regarding the FIELDS' letter received today about contact with the A-Beta Israel Congregation.

It was learned that Dr. EDWARD R. FIELDS and [redacted] of the Illinois NSRP spoke by phone for over an hour this morning. [redacted] from his south side home and FIELDS being at the Atlantic Hotel. At noon, FIELDS, [redacted] and [redacted] met for lunch in the loop. At 12:30 P. M., [redacted] and FIELDS arrived at the 630 North McClurg Court, address of CBS in Chicago. This would indicate FIELDS had little time free for any meetings with unidentified people. At CBS, FIELDS taped the "At Random" TV show. He appeared on the entire show of over two hours duration. [redacted] dropped FIELDS at the Atlantic Hotel about 4:00 P. M. [redacted] then proceeded to Waukegan, Illinois, where he spent the night at a motel, preparatory to all day activities on Saturday. The Republican Voters of Illinois plans a fund raising effort for Mayor SABONJIAN. At 5:00 P. M., [redacted] telephonically contacted Dr. FIELDS to say he would pick him up at 7:10 P. M. at the hotel. This was done, and the two proceeded to the Crown Room on the 41st floor at 1 East Wacker Drive. They arrived at 7:30 P. M. and were joined by Mr. and Mrs. [redacted] and [redacted]. The five had dinner and remained at the Crown Room until about 9:30 P. M. [redacted] was to join them, but called about 8:30 P. M. to announce he would be late. He never arrived. [redacted] had contacted [redacted] of United Patriots International, to join the group, but he too failed to appear. [redacted] wanted him to meet Dr. FIELDS in an effort to perhaps interest him in joining the Illinois NSRP and perhaps becoming the Illinois leader. A phone call by [redacted] home, revealed he had left for the restaurant at 6:00 P. M., but why he never arrived is unknown. At 9:30 P. M. when the five left the Crown Room, Dr. FIELDS asked [redacted] to drop him off at the Pickel Barrel Restaurant on North Wells Street in "Old Town." FIELDS stated he was meeting a cousin and his wife that he had not seen since his (Dr. FIELDS) wedding 13 years ago. He stated the cousin lived in Chicago. FIELDS left [redacted] car in front of the restaurant about 9:50 P. M. FIELDS stated that he would spend much of the day on Saturday, April 12, 1969, visiting a number of aunts he had in the city. His mode of transportation was not stated.

It was learned that [redacted] of the Illinois NSRP arrived at the Chicago Theatre at 6 PM this evening. At 6:20 PM two members of ALPHA BETTA CONGREGATION arrived to meet them. The five then retired to the dinning room of the Little Corporal restaurant at 1 East Wacker Drive. They met for over one hour. Representing Alpha Betta Congregation were two blacks who identified themselves as [redacted]. Both admitted these were names taken in connection with their church. The man identified at [redacted] had used the name [redacted] in phone conversations with NSRP representatives this week. He was about [redacted]. [redacted] He was well dressed in the mod fashion of long point colored dress shirt and four button suit. [redacted] was dressed in Afro garb and hair style. He appeared of similar age but about 6'1" and 180. He wore a star of David around his neck. Each seemed of equal rank when discussing details. The purpose of this meeting was to determine if the NSRP and this group could work together regarding sending their members back to Africa. This black group believes its members should return to Africa as the only means of solving the USA race problem. In April 1969 Dr. Edward Fields exchanged letters with them indicating the NSRP was ready to supply funds to start sending families to Monrovia, Liberia in the near future. This meeting was to be the first step in that direction. The two representatives of the Black group had several requests that would seem to block any progress toward cooperation. First they state their members will sign no legal papers stating that they would not return to the states at any time in the future. Dr. Fields has stated the NSRP must have assurance these black families will not return to the USA. This would be in the form of renouncing USA citizenship or a legal form promising repayment of funds advanced if any Negro ever returned to the USA. The Blacks made clear this would not be considered. The Blacks also stated the NSRP could not turn the cooperation into a circus. By this they meant no publicity would be allowed except that prepared and/or written by the Blacks. Later it appeared this topic was subject to

b6  
b7C  
b7D

negotiation but any NSRP plans to hold a press conference and wave at the airport at their departing plane for the benefit of the press seemed remote. The blacks also asked for \$600 at once to purchase a round trip ticket for one of them to fly to Monrovia this week to meet with their "superiors" concerning details of any cooperation with the NSRP. All three demands or requests seemed impossible for the NSRP to consider. None of the NSRP representatives was able to comment on the proposals but they stated they would have to confer telephonically with Dr. Fields on these three points. The first meeting lasted for about an hour and a quarter from 6:25 PM until about 7:40 PM. [redacted] conferred after and agreed Dr. Fields would not consider any of the three proposals. All three doubted if the blacks would be adamant on any of the three points if they in fact were serious in trying to reach accord with the NSRP. No time or date or place was set for a second meeting. It is clear the NSRP desires propaganda mileage out of any accord reached. The blacks meanwhile appear to want the funds without other agreements. Later this evening [redacted] tried without luck to reach Dr. Fields in Savannah Georgia. Fields it was learned is in Atlanta until Saturday as the Thunderbolt is being printed at this time.

It was learned that [redacted] [redacted] are attending the NSRP national convention in Jacksonville Florida this June 6, 7 and 8th. Plane reservations for the four have been made leaving O'Hare at 10 AM on Delta Flight 373 non stop arriving in Jacksonville at 1:10 PM EDT. A National rental car will be waiting for the four. Reservations for two double rooms at \$19 a night each have been made at the Holiday Inn West in Jacksonville. This is where the convention will be held. It was decided however that at that price they might as well try for a beach cottage so [redacted] telephoned [redacted] in Jacksonville tonight and asked [redacted] to seek a beach cottage with two bedrooms for about \$40 a day. The group is holding reservations to return leaving Jacksonville on Delta Flight 752 leaving Jacksonville at 4:05 PM and connecting in Atlanta with Delta Flight 830 and arriving Chicago-O'Hare at 6:41 PM on Sunday evening June 8, 1969. It is not expected anyone will pay for his tickets before June 1st so anyone could cancel at anytime with no problem. [redacted] sent \$8 to Dr. Fields for four tickets to the convention.

Chicago, Illinois  
April 14, 1969

It was learned that [ ] and his wife [ ] picked up Dr. EDWARD R. FIELDS at the Atlantic Hotel at 6:45 P. M. this evening. This is the first time Mrs. [ ] has ever been present for any NSRP affair. Dr. FIELDS had checked out already having decided to spend the night with his cousin who lives at [ ] in Chicago, Illinois. FIELDS indicated the cousin's name as being [ ]. No telephone listing was found for that name at that address. FIELDS further stated he has an aunt who lives on the other side of the street on the same block of West Elmdale. FIELDS stated this cousin has no car and he would take a cab to O'Hare Field on Tuesday morning for his flight back to Savannah. Earlier in the day (about 4:00 P. M.) [ ] had learned that a [ ] would oppose FIELDS on the "Chicago TV Show." FIELDS asked for information on this man to better aid him in debating him on the show. [ ] contacted [ ] telephonically. She indicated she would check her files. She stated she knew his wife [ ] well as a member of many "Commie front groups." It was later learned that [ ] contacted FIELDS telephonically to give him more "information" on [ ]. Mr. and Mrs. [ ] and [ ] arrived at the ABC studio on North State Street about 7:30 P. M. It was after 9:00 P. M. before they left after the tape session. FIELDS appeared for about 50 minutes in all. Producer [ ] stated he would like to have FIELDS return for a full hour again. FIELDS hinted he may be in Chicago in early June. This was news to local NSRP people, and the local people forgot to ask Dr. FIELDS for more details, but it is thought he will be passing through Chicago with his wife and children either just before or after the June 6, 7 and 8 national NSRP convention in Dayton, Ohio. FIELDS would be going to Iowa to visit his wife's family. At this time no formal NSRP functions are planned for any June visit, and the visit itself is uncertain at best. Producer [ ] also expressed interest in an appearance by J. B. STONER of NSRP. [ ] then drove FIELDS to the 1432 West Elmdale address, arriving at about 10:00 P. M. FIELDS seemed very sincere and warm as he thanked [ ] for his efforts and time spent over the past five days. FIELDS invited

[redacted] and his wife to come to Savannah this summer, indicating they could stay at J. B. STONER's beach front cottage. FIELDS also stated he would like to get together when his wife is with him. It was obvious FIELDS was sincere in his appreciation. At the TV studio, [redacted] had given FIELDS \$50.00 from the more than \$100.00 left after expenses of the weekend. [redacted] said it was for the hotel bill incurred by FIELDS. Still, the NSRP had about \$70.00 left for the next Praire Fire postage and mailing costs. FIELDS was to leave on Tuesday morning, April 15, on an Eastern flight at about 8:00 A. M.

It appears [ ] is well known for his extreme views as his "letters to the editor" appear in almost every issue. One recent issue featured misiag as the "Student of the Week". He was interviewed and a full face photo appeared. The photo shows his new beard. Fields told misiag his speech was set and fields appeared uninterested in misiag's brierling. At about

NSRP people included at the speech were Mr and Mrs [redacted] [redacted] and his wife [redacted] were present. At least two unidentified Nazi party members were noted. NBC sound and camera crews were noted and they filmed ten to 15 minutes. Tribune staffer Ann Mc Featters interviewed fields before the speech and took notes during the address. [redacted] introduced Dr fields to the students as "my good friend." fields spoke for nearly an hour. his only message was repatriation of the negro to Africa. He traced the history of this movement from Jefferson in 1800 to Monroe's formation of Liberia to Lincoln's moves in this direction. fields also noted the interest shown this idea in the 1920s. fields states he agrees

with Black militants that White and Black can't live together. Fields predicted a race war will result in separation is not hurried. Fields stated that segregation is only a stop gap measure. He stated the NSRP backs the recent bill introduced into the US House by Rep. Robert Nix (D. Penn.) This bill offers to aid Black Americans who wish to settle in Africa. A question and answer period followed the speech. Almost all questions were hostile except those posed by NSRP members. One student called the NSRP flag a rag. Another asked what right the NSRP had to ship anyone, anywhere. Fields remained calm and handled the questions as best anyone could do. Fields and the others left Bogan at about 8:30 pm. They returned to Sharkov's Restaurant for several beers. [redacted] and Fields went to the restaurant. About 9:30 pm [redacted] announced that [redacted] wanted to meet Fields at his Republican voters or Illinois offices at 7100 West Cermak Road in Berwyn Illinois. In all, fields said little and nothing of NSRP policy and nothing of interest. When [ ] arrived home about 1 am, [ ] called by phone and spoke for over an hour. [ ] said he was shocked at such a poor speech and delivery by fields. It was learned that [redacted]

[redacted] picked up Dr. FIELDS at the Atlantic Hotel. [redacted] did not make the trip to Peoria. [redacted] stated his wife [redacted] "was on the warpath." Instead of helping with the cost of the trip, [redacted] pays four cents a mile for company car) [redacted] paid for [redacted] lunch and dinner. They did likewise for Dr. FIELDS. A total of 13 people attended the Peoria meeting. They donated about \$40.00, however. The FIELDS' speech of nearly an hour was unchanged regarding "Back to Africa" theme and little anti-Jewish material. [redacted] thought he spotted one young man who might be a "spy". [redacted] was instructed to secure his license plate number and this was done. The young man drove a [redacted]

Three men came from the Morris, Illinois area. All present were asked to complete the information forms of the NSRP and all did. No organizational plans discussed, but [redacted] stated he hoped to re-contact these people soon regarding having them set up working chapters. [redacted] past performance would indicate he will not contact them. [redacted] opened the meeting with a twenty minute speech in which he blasted Chicago police, and hinted the left and right are both hated by the establishment and police. Several of those attending showed visible signs of uneasiness. Later, on the return trip, Dr. FIELDS hinted [redacted] had made a mistake in that approach. The four left Peoria about 4:30 P. M. and arrived back at the [redacted] address about 7:15 P. M. [redacted] proceeded to the loop and left Dr. FIELDS at the Atlantic Hotel about 7:45 P. M.

It was learned that Dr. EDWARD R. FIELDS did not answer any phone calls during the day on Saturday, April 12. Numerous calls were made to room 801 and no answer was received. FIELDS had stated he would be gone to visit relatives. [redacted] arrived at the Palmer House at 6:00 P. M. Illinois party leader [redacted] had made clear he could not attend the Saturday night speech at the Palmer House as he would remain in Waukegan with [redacted] and others. [redacted] had asked [redacted] to transport NSRP literature to the Palmer House and otherwise take over setting up the meeting. [redacted] had to secure a podium, USA flag and other small details. [ ] opened the meeting with a ten minute introduction of Dr. FIELDS. [ ] plugged the two TV appearances and next days Peoria meeting, and he took the collection before FIELDS started to speak. One hundred and seventy nine dollars was collected, and literature sales later in the eveing amounted to about \$40.00. All the literature was paid for months ago so the evening brought about \$219.00 to the NSRP. The FIELDS' speech lasted about an hour and there was no question and answer period. The FIELDS' speech was almost identical to the Bogan College address the night before. "Back to Africa" was its main theme. Almost no anti-Jewish material was included. For a full hour after the speech ended, Dr. FIELDS talked to people as they surrounded him with each one talking to him for several minutes. [ ] took pictures of various NSRP members and Dr. FIELDS, and gave the members the pictures. [ ] also took pictures during the meeting and FIELDS took them for use in the Thunderbolt. Any crowd pictures were from the rear looking toward the front as FIELDS allows no pictures of the crowd from the front. In all, [ ] took pictures of over a dozen people with FIELDS, and in some cases FIELDS would autograph the picture. Soon strangers were asking [ ] to have their picture taken with FIELDS. Later FIELDS told [ ] it was a great idea, and he will try to do it at other meetings. FIELDS felt those pictured with him would show the pictures to friends and feel closer to the NSRP. FIELDS said he was gratified at how many people were eager to pose with him.

NATIONAL CONVENTION OF THE  
NATIONAL STATES RIGHTS PARTY  
JACKSONVILLE, FLORIDA  
June 7 and 8, 1969

Two sources, who have furnished reliable information in the past, furnished the following information concerning captioned matter on June 7, 8 and 10, 1969:

The National Convention of the National States Rights Party (NSRP) was held on June 7 and 8, 1969, at the Holiday Inn, West, 555 Stockton Street, Jacksonville, Florida.

A characterization of the NSRP is attached hereto.

The convention opened at 2:30 p.m. on June 7, 1969, with J. B. Stoner, Savannah, Georgia, Vice-Chairman of the NSRP, acting as Master of Ceremonies.

[redacted] local NSRP member, read a prepared prayer.

[redacted] Jacksonville, Florida, State Organizer of the NSRP, gave a welcoming speech in which he thanked the delegates whom he realized had traveled from all over the United States.

There were between 125 - 150 individuals in attendance when the convention opened.

[redacted] Dayton, Ohio, National Organizer of NSRP and leader of Dayton, Ohio, NSRP Chapter, spoke about the Berea, Kentucky, rally of the NSRP where Negroes attacked the group.

JK 105-60

He talked about Elza Rucker, the only White man killed during the attack. He read a letter from Mrs. Rucker, in which she said that she would not be able to attend the convention, but urged all members to continue the "fight".

[ ] told of an incident in Dayton, Ohio, where 17 Negroes kidnapped a White nurse as she was leaving the hospital after work. She was molested for hours, then stabbed and left for dead.

b6  
b7C

He also told of a nurse who showed him a ward in a local Dayton, Ohio, hospital filled with Negro men being cared for at the expense of the tax payers.

Neuman Roy Britton, California State Coordinator of NSRP, San Bernardino, California, based his remarks on the Jews, stating that they are the cause of most of the racial trouble in this country today, by "stirring up" and financing the Negroes.

There is a lot of talk in the United States about shipping the Jews and Negroes out of the country. He suggested that instead we should build huge ovens in which to burn the Jews, adding that they would not get away this time like they did in Germany.

[ ] Corresponding Secretary, NSRP, Headquarters Staff, Savannah, Georgia, spoke briefly on her work in the NSRP. She stated that the Party is a great organization and that women are playing a very important part in it. More young people are needed to carry on the work of the NSRP.

b6  
b7C

Doctor Edward R. Fields, NSRP Director, Savannah, Georgia, presented a plaque to [ ] Kentucky State NSRP Organizer who was selected as the Man of the Year. [ ] responded by saying that he was not prepared to make a speech but he was greatly honored for being designated the Man of the Year.

[ ] Los Angeles, California, talked mostly along religious lines, stating that the White people are God's people and that God would see that the White people were saved from the Black hords.

b6  
b7C

JK 105-60

[redacted] Little Rock, Arkansas, talked of how the White people today will not stand up and fight for their rights. They allow the Jews and "Niggers" to take their rights away from them.

b6  
b7C

He "poked" fun at the other White organizations and said that they are doing nothing. The NSRP will have to carry the load.

He called the local citizens councils the "chicken councils". They are afraid that the Negroes will burn their houses down if they find out that they are doing something in opposition to them.

He told of how he tried to get people to help distribute copies of the "Thunderbolt" in the mornings, but was unsuccessful because they were afraid the "Niggers" would find out and burn their homes. The "Thunderbolt" is a monthly publication of the NSRP. He stated that if it would wake up the White people, he would buy the gas for the Negroes to burn their houses. Anspach cited the need for more youth in the NSRP, pointing out that leftist organizations have recruited more young people.

[redacted] from Norman, Oklahoma, gave a religious speech in which he quoted verses from the Bible. He spoke of the four horses mentioned in the Book of Revelation. The white horse represents the White people. The red horse represents the Jews and Communists who are taking over. The black horse represents the Negroes who are workers of the Jews. The pale horse represents death, which means that mixing the races is sure death, for God will not put up with this mixing.

b6  
b7C

A Mr. [redacted] was introduced by J. B. Stoner as a great Toastmaster and a long-time friend of the Stoner family. He told a number of jokes which concerned Jews and Negroes.

The convention recessed at 5:00 p.m. to reconvene at 8:00 p.m.

The evening sessions of the convention on June 7, 1969, started at about 8:30 p.m. with approximately 175 people in attendance.

JK 105-60

The first speaker of the evening was [redacted] from San Bernardino, California. He spoke mainly on what a great organization the NSRP is. It is the only organization that has the support and power to get the job done against the Negroes and Jews.

b6  
b7C

*Adt*  
[redacted] NSRP leader from Chicago, Illinois, spoke briefly about the job the NSRP is doing in the Chicago area.

b6  
b7C

*file*  
[redacted] NSRP Organizer and leader, Chicago, Illinois, discussed the work his group was doing and the need for youth centers in Chicago to attract the young people.

He stated that Doctor Fields was in Chicago and appeared on two television programs. The stations have been calling to inquire whether they could get Doctor Fields back as numerous calls have been received from the public for him to return.

Wake stated that some NSRP members have attended Jew and Negro integrated meetings, working through front organizations and were able to break up these meetings. He told of one meeting where the main speaker was a Negro preacher. He urged the Negroes to start a revolution and to get "Whitey". [redacted] and one of his friends stood up and said, "Let's start it right now". The Negroes backed down and the Negro preacher was amazed, because when he had spoken in this manner before, the White people bowed down to their black brother.

b6  
b7C

[redacted] said that he was ready to kill a thousand Negroes if need be.

He also told of breaking up a Negro "sit-in" at a college by just going in and throwing them out.

Dr. Edmund R. Fields, NSRP Director, Savannah, Georgia, spoke mainly against the Federal Bureau of Investigation (FBI). He referred to the FBI as babysitters and body guards for the Negroes and Jews. They go to extremes to keep the White people from stopping Negro demonstrations and riots. The FBI watches from windows and rooftops.

JK 105-60

Fields told of a former assistant to J. Edgar Hoover, a Mr. [ ] who left the FBI and went to work for the Schenley Liquor Company. This company is run by a Jew by the name of Rosenstang (phonetic).

b6  
b7C

[ ] is also the head of the Hoover Foundation and is next in line to replace Hoover. This will bring about full control of the FBI by Jews. Many officers of the Hoover Foundation work for the Schenley Company. Fields said that anytime an ex-FBI man runs for an office, the NSRP must work hard to defeat him.

Fields referred to an organization composed of ex-FBI men. He said that these men have been instructed by the FBI to report any activity against the Negroes and Jews. These facts will come out very soon in the "Thunderbolt".

[ ] from San Bernardino, California, gave an inspiring speech about the NSRP. He said that everyone must work together just as he and his brothers do in their plastering business. Each one must do his part to make the job perfect. The White people must work together to get the job done, the fight against race mixing Jews and their tools, the Negroes.

b6  
b7C

[ ] described the Rebel flag stating that the 13 stars represent the 13 tribes of Israel, which are the White people. The white in the flag represents the White people. The red in the flag represents the blood which is shed to preserve the White race. The blue represents the heaven from which the White people are ordained to do the job.

[ ] Kentucky State NSRP Organizer; Covington, Kentucky, began his remarks by saying that he was very proud that he was the number one racist of the year.

b6  
b7C

He spoke mainly about the Berea, Kentucky, incident stating that it had united the NSRP throughout Kentucky and that the membership had grown by great numbers.

Ned Dupes, Chairman of the NSRP, Knoxville, Tennessee, arrived late at the conference because of car trouble. He said that he sure had something to tell the NSRP members tomorrow.

JK 105-60

[redacted] traveling NSRP Organizer, Los Angeles, California, reported that he had received a telegram from Connie Lynch stating that his parole had been approved, but that he had to post a \$1,000 cash bond.

Lynch, an NSRP leader, is serving a penitentiary sentence.

A plea was made by [redacted] and \$1,000 was raised in cash and pledges.

Neuman Roy Britton, spoke briefly again. He did more preaching than talking. He said that the White people were ordained by God to defeat His and our enemies, the Negroes and Jews. Before it is all over, their blood will flow in the streets.

Doctor Fields read a list of officers nominated for the coming year, all of whom were unanimously elected. They are identified as follows:

National Director,  
J. B. Stoner,  
Savannah, Georgia;

Assistant National Chairman,  
Ned Dupes,  
Knoxville, Tennessee;

Executive Committee:

[redacted]

Neuman Roy Britton, San Bernardino, California.

The Sunday session of the NSRP National Convention opened at 2:30 p.m. on June 8, 1969, with between 80 - 100 people present. Doctor Edward R. Fields presided during this session.

The meeting was opened with a prayer read by [ ] local NSRP member, after which he gave a short talk. He stated that he has been working on a local level only, but in the near future, after he retires, he plans to work on a national scale.

b6  
b7C

[ ] Florida State Organizer for the NSRP, stated that when the NSRP takes over, no "Niggers" or Jews will get any part of our pay checks. The first thing the NSRP will do is confiscate all the property and money of the Jews and kick them out of the country. Next, there will be no taxes going to support the Negroes and there will be no "Niggers" around.

He said that it would be nice to look around the cities of this country and see no one but White people. The police forces could be cut to a few men and the FBI would not be needed because there would not be anyone to babysit with.

Ned Dupes, Knoxville, Tennessee, NSRP Chairman, talked about distributing the "Thunderbolt" door to door. He stated that he had only one person refuse the paper.

He told of a female Jewish school teacher in Knoxville who had a Negro cowboy speak before a class of White students. The Negro must have forgotten his script because he told the students that they should hate their parents because their parents were responsible for the way the poor Negroes have been treated. Dupes and a number of NSRP members attended the next school board meeting and gave the board a "bad time" not only because of the Negro speaking to the students, but also about the sex program being taught in the schools.

A young man from Baltimore, Maryland, identified as the head of the NSRP there told of the NSRP activities in Baltimore.

JK 105-60

The next speaker was a young man by the name of [redacted]. He is in the Army, stationed at Augusta, Georgia, and is a good friend of Doctor Fields. He told of the living conditions in the Army with the Negroes. His advice to any young person is to stay out of the armed services. They are for the Negroes only.

b6  
b7C

He spoke of distributing copies of the "Thunderbolt" on the Army base and in the surrounding area until his commanding officer called him into his office. He was told that he could receive only one copy of the "Thunderbolt" on the Army base. He said that he had served time in the stockade for his activities against the Negroes.

J. B. Stoner reminded the members of the up-coming local and state elections throughout the country. Each NSRP Chapter must try to get local members to run for office.

[redacted] announced that the next NSRP Convention will be held in the State of Kentucky and asked all members to plan ahead to attend.

b6  
b7C

Doctor Fields announced plans for large open-air rallies to be held in all the states during the coming months. When a suitable site is located, NSRP headquarters should be contacted and an attempt will be made to provide a good speaker.

The convention closed at 4:00 p.m. on June 8, 1969. No incidents or acts of violence were observed during the time the NSRP Convention was held in Jacksonville, Florida.

The above information was furnished to [redacted] Assistant United States Attorney; [redacted] Military Intelligence; and [redacted] Secret Service, Jacksonville, Florida, on June 9, 1969.

## APPENDIX

### NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP), was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "Official Racial Nationalist Organ of the National States Rights Party", (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

Issue No. 69, dated July, 1965, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 184, Augusta, Georgia.

Issue No. 88, dated April, 1967, of "The Thunderbolt" announced the address of the new headquarters of the NSRP as Post Office Box 6263, Savannah, Georgia, 31405.

**RACIAL MATTERS AND INFORMANTS  
CHICAGO INSPECTION  
2/7-20/69**

The comments, observations and instructions of the inspector relating to specific files mentioned in captioned survey have been discussed with agents to whom these matters are assigned as well as other agents handling racial matters. These agents have been advised of the delinquencies and were instructed to take appropriate action.

Concerning the observation of the inspector regarding the development of informants in major Chicago youth gangs, it is noted that cases have been opened concerning the leaders of these gangs. Further, cases have been opened concerning the mothers of individual gang members who appear to offer possible potential as sources of information concerning gang activities. Three persons in this category have been interviewed to date. These individuals were cooperative and appear to offer excellent informant potential.

This matter will continue to be closely followed.

CG 66-4923

The inspector instructed that Chicago increase its informant coverage in Muhammad's Temple No. 17, Joliet, Illinois.

There has been a recent change in personnel in the Joliet RA involving agents assigned to the NOI in that area and the informant coverage therein. Inasmuch as SA WAGNER, who is now currently assigned the NOI in Joliet, has not had an opportunity to thoroughly acquaint himself with the problems therein. The matter of informant coverage will be further evaluated upon after a complete reassessment of this problem has been made by SA WAGNER.

In relation to the inspector's suggestion concerning the activity of the Black Panther Party at Wilson and Crane Junior College, it is noted that at present [REDACTED] (PROB) is attending Crane Junior College. This source is providing day to day coverage of Black Panther Party activity as they pertain to colleges located in the Chicago area.

b7D

A current survey is being conducted of all colleges in the Chicago area to develop information concerning black student groups on college campuses and to ascertain the potential of such groups for disorder. This survey is also including information which could be of assistance in developing sources of information relative to this problem.

Concerning the interview program of individuals connected with black extremist groups, all agents handling cases relative to this matter are continually considering members of black extremist groups for interview upon the development of sufficient information to conduct interviews. All such interviews are being conducted in accordance with Bureau instructions in this regard.

CG 66-4923

The inspector's observation concerning the income of FRED HAMPTON, a leader of the Black Panther Party (BPP) in Chicago as it might relate to a possible violation of income tax laws, has been discussed with agents well acquainted with the investigation concerning HAMPTON and the current investigation relative to the BPP in Chicago.

It has been ascertained that all funds received in payment for speaking engagements by BPP members are considered to be BPP funds. On one occasion HAMPTON received \$800 and on a second occasion \$1,000. At all other appearances the BPP has received at least \$550. HAMPTON is paid \$80 per month for his activities on behalf of the BPP. Any other funds that he might obtain from the BPP he would have to steal from the party treasury. Efforts to document any additional amounts of money that HAMPTON has received have been unsuccessful to date. Consideration is currently being made to monitor HAMPTON's bank account in this regard.

This matter will be closely followed.

During the investigation of other BPP members and black extremist leaders in other organizations, consideration is being and has been given to the possibility of documenting the source of funds of these individuals in an effort to obtain information that would be of value in an effort to determine whether or not a violation of income tax laws exists.

Racial informant development is receiving close and continued attention. Each agent on the S-5 Squad has been advised and instructed regarding the necessity of developing knowledgeable racial informants. Agents are continually advised that this area of activity must receive priority attention. This matter is being closely followed to insure all agents actively participate in the racial informant program.
